

Washington Association of
Alcoholism & Addiction Programs
(AAP)

Presents

**The Third Annual
Providers Conference
Celebrating
Chemical Dependency
Treatment Teams**

April 9-11, 2009
Lynnwood Convention Center
3711 196th Street Southwest
Lynnwood, Washington

Attendee Profile

This is the Third Annual Addiction Providers Conference in Washington State sponsored by Treatment – for Treatment!

The focus is:

- ⇒ To provide training to those who work in the addiction profession;
- ⇒ To celebrate the recovery process; and
- ⇒ To recognize the treatment teams in our field.

This statewide conference demonstrates not only the rich diversity of the field, but also the unity that must exist to reach our goals. It offers a much needed opportunity to do cross training as well as to introduce non-members to the benefits of joining an association. This conference will display many of the reasons Washington remains one of the few states with a discrete system and a rich history of addressing addiction distinctly and effectively.

Educational Objectives

Following this conference, participants will be able to:

- ⇒ Understand the importance of the focus in Washington to treat alcohol and other drug addiction as a separate and distinct disease.
- ⇒ Identify the wealth of human and institutional resources that infuse treatment in Washington with passion and skill.
- ⇒ Acknowledge both the diversity of treatment programs and the commonality of treatment philosophy that guides those programs.

Accreditation

9 CEU's will be awarded for this conference.

For more information, please contact Rylie Koenig at (425) 823-3116 or koenigr@lakesidemilam.com

The Third Annual Providers Conference Celebrating Chemical Dependency Treatment Teams

About the Sponsoring Organizations

Washington Association of Alcoholism and Addiction Programs (AAP)

The Association's mission is to provide the means by which alcoholism and other drug addiction programs may enhance the effectiveness of their work; to support the ongoing development of the administration of the programs that assist the alcoholic and other drug addicted person and others affected by the illness; to effect an environment which promotes cohesiveness, openness, candidness, discretion, commitment, and trust; to effect, develop and practice a process which nurtures both personal and professional growth for alcoholism and other drug addiction program directors; and to effect an environment of communication where program directors can share mutual concerns and problems and take appropriate action when necessary.

We would like to thank the following businesses and associations for their support:

Residence XII
Ryther
Sundown M Ranch
Sterling Laboratories
Lakeside-Milam Recovery Centers
