

# 2011/12 ACLS TRAINING COURSES

## UW Anesthesiology & Pain Medicine

The Department of Anesthesiology & Pain Medicine at the University of Washington provides several courses in Advanced Cardiac Life Support (ACLS) Training to UW staff and the general public.

### 2011/12 ACLS 2-DAY COURSE

Classroom & Simulation-centered learning sessions on BLS, AED, ACLS & megacode.

**Goal:** AHA ACLS credentialing

**For:** Community anesthesiologists and UW anesthesia staff (priority to UW Anesthesia residents)

**Place:** ISIS Simulation Centers

University of Washington Medical center (December)

Harborview Medical center (March)  
Seattle, WA

**Time:** Dec 1, 2011, 5:30p -9:00p  
& Dec 3, 2011, 7:30a - 3:30p

**OR**

Mar 8, 2012, 5:30p -9:00p

& Mar 10, 2012, 7:30a -3:30p

**Cost:** \$250 fee for community anesthesiologists (including VM)  
\$100 fee for UW Faculty & CRNAs.

Free to UW Anesthesia residents

**Enroll:** *To enroll, return the course application form by Nov 21st, 2011 for the December course or Feb. 28th, 2012 for the March course.*

### Anesoft ACLS Simulator

Computer-based learning tool offering ECG rhythm recognition, real-time megacode simulation & the ability to author your own case scenarios.

**Goal:** Practice for ACLS Written Exam  
Non-AHA ACLS credentialing  
8 Category 1 CME credits

**For:** UW medical staff and the general public

**Place:** Install on your computer—Windows or Mac compatible

**Time:** At your convenience

**Cost:** *UW Staff & Students* FREE

*For the General Public* \$69 fee for download only  
\$79 for download & CD

**Enroll:**

*For the UW Staff & Students:*

Browse to **[www.uwanesthesiology.org/acls](http://www.uwanesthesiology.org/acls)** for instructions on how to access the software.

*For the General Public:*

Browse to **[www.anesoft.com](http://www.anesoft.com)** to obtain the software.

# 2011/12 ACLS TWO-DAY CLASSROOM COURSE

Classroom-centered learning sessions for Basic Life Support (BLS), Automated External Defibrillator (AED), ACLS algorithm and megacode practice with manikins, rhythm simulators and monitors/defibrillators.

**For:** Community anesthesiologists and UW anesthesia staff  
*Note: UW Anesthesiology Residents must have ACLS credentials by the end of their first year of clinical anesthesia (CA-1 / R2) and are given priority in enrollment. Residents need to recertify every 2 years.*

**Place:** **ISIS** University of Washington or Harborview. Location announced to enrollees.

**Time:** Dec 1, 2011, 5:30PM-9:00PM and Dec 3, 2011, 7:30AM-3:30PM  
**OR** Mar 8, 2012, 5:30PM-9:00PM and Mar 10, 2012, 7:30AM-3:30PM

**Cost:** FREE to UWAMC Anesthesia Residents, \$100 for UW Faculty & CRNAs  
 \$250 for community anesthesiologists (including VM)

**Enroll:** To enroll, return the course application form by November 21, 2011 for the January course or February 28, 2012 for the March course.

### REQUIRED ACLS 2-DAY COURSE READING

ACLS Provider Manual, 2010 Guidelines (item #90-1014 - \$33.50) and ECC Handbook (item #90-1000 - \$25.00)

**Buy from:**  
 South Campus Bookstore, UWMC  
**Order from:**  
 Channing-Bete at (800) 611-6083  
[www.aha.channing-bete.com](http://www.aha.channing-bete.com)

### Algorithm Review: *Thursday* (December 1, 2011 or March 8, 2012)

5:30p-6:30p	Supper (provided)			
6:30p-9:00p	Review Lectures	1. ACLS course overview	3. BLS primary survey & ACLS secondary survey	5. Tachycardia
		2. Course organization	4. Megacode & Resuscitation Team concept	6. Acute Coronary Syndromes
				7. Stroke
9:00p	Adjourn			

### Algorithm Practice and Testing: *Saturday* (December 3, 2011 or March 10, 2012)

7:30a-8:00a	Breakfast (provided)	
8:00a-12:20p	Practice Sessions	<i>Participants will rotate through six stations. One station is for BLS practice and testing, and a chance to play with an AED. The other stations will be for algorithm and megacode practice with manikins, rhythm simulators and monitors/defibrillators.</i>
12:20p-1:00p	Lunch (provided)	
1:00p-3:30p	Examination Session	<i>Written test, megacode practice, and testing</i>
3:30p	Adjourn	

## ACLS TWO-DAY CLASSROOM COURSE APPLICATION FORM

ACLS course I want to take:

- ACLS 2-Day Course** (December 1 & 3, 2011)  
**ENROLLMENT DEADLINE: NOVEMBER 21, 2011**
- ACLS 2-Day Course** (March 8 & 10, 2012)  
**ENROLLMENT DEADLINE: FEBRUARY 28, 2012**

I am... UW Anesthesia Clinical Staff

- Attending*       *Resident*  
 *Fellow*       *CRNA*

Other community physician / practitioner
