JULY 15	“Are Anesthetic Agents Neurotoxic?”	Sanjay M. Bhananker, MB BS, FRCA <i>UW Associate Professor & Attending Physician, Department of Anesthesiology & Pain Medicine, Harborview Medical Center, Seattle, WA</i>
JULY 22	“Obstetric & Gynecological Anesthesia in Developing Countries – three Different Perspectives”	Jo Davies, MB BS, FRCA <i>UW Associate Professor & Attending Physician, Dept. of Anesthesiology & Pain Medicine, UWMC, Seattle, WA</i> Marge Sedensky, MD <i>UW Professor & Attending Physician, Department of Anesthesiology & Pain Medicine, UWMC, Seattle, WA</i> Gerry Bashein, PhD, MD <i>UW Professor & Attending Physician, Department of Anesthesiology & Pain Medicine, UWMC, Seattle, WA</i>
JULY 29	“Statins in Perioperative Medicine”	Stephan R. Thilen, MD <i>UW Assistant Professor & Attending Physician, Department of Anesthesiology & Pain Medicine, UWMC, Seattle, WA</i>

OBJECTIVES – Upon completion of this series, attendees should be able to:

- Objective 1: Discuss new developments and trends in Anesthesiology.
- Objective 2: Apply current and updated concepts to their clinical practice.
- Objective 3: Collate and integrate new research data in order to reach appropriate treatment decisions or further research.

The University of Washington School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Washington School of Medicine designates this educational activity for a maximum of **50.0 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. (Each session is 1.0 credit)

The University of Washington reaffirms its policy of equal opportunity regardless of race, color, creed, religion, national origin, gender, sexual orientation, age, marital status, disability, or status as a disabled veteran or Vietnam era veteran in accordance with University policy and applicable federal and state statutes and regulations. The University of Washington is committed to providing access and reasonable accommodation in its services, programs, activities, education and employment for individuals with disabilities. To request disability accommodation in the application process, contact in the department: Julie Baker (206/543-2475 or bakerjav@u.washington.edu). Or, you may contact the Disability Services Office directly at least 10 days in advance at: 206/543-6450/Voice, 206/543-6452/TTY, 206/685-7264 (Fax); email: dso@u.washington.edu.

For questions regarding this schedule, please contact: **Julie Baker** (206/543-2475 or bakerjav@u.washington.edu).
