Evaluation of NON meeting:

Comments

- “The meeting has stimulated me and opened doors/possibilities. ”
- “The meeting was not really addressing objectives... We rather have elaborated on the conceptual framework, purposes, and need for Network of Networks...”
- “The meeting was very beneficial as a first step.”
- “This was a good start. I am interested to continue with the group...”
- “The next step is to set up specific proposal to improve surveillance systems, research, training, and control and prevention of infectious diseases in the region.”
- “We can help coordinating with the Ministry of Health...”
- “Well done to all!!”
