

# Biobehavioral Cancer Training and Research:

Integrating Biology, Behavior, Culture, and Community for the Prevention and Care of Cancer Patients  
University of Washington, Department of Health Services and Fred Hutchinson Cancer Research Center

<http://depts.washington.edu/bcpt/>

## Mission

The mission of the **Biobehavioral Cancer Prevention and Control Training Program** is to train public health researchers, health services researchers, clinical scientists, and health policy analysts in biobehavioral and outcomes research, communications, and practice outcomes as applied to cancer prevention and control.

## BCPT Trainees

- Collaborate with communities
- Conduct qualitative research
- Analyze large datasets
- Discuss current controversies in prevention and control research
- Design interventions
- Conduct literature reviews

## BCPT Alumni

- Pre-doctoral graduates of the program have moved into prestigious post-doc or fellowship programs (*Institute for Health Research at University of Illinois at Chicago and Robert Wood Johnson Foundation Health and Society Scholars Program*).
- Post doctoral graduates have moved into academic as well as research scientist positions.

SCHOOL OF PUBLIC HEALTH  
UNIVERSITY of WASHINGTON

## Program Steering Committee

Donald Patrick, PhD, MSPH, Director  
Evan Prenovitz, Program Coordinator  
Shirley Beresford, PhD  
Gloria Coronado, PhD  
Bonnie McGregor, PhD  
Hendrika Meischke, PhD, MPH  
Carol Moinpour, PhD, MPH  
Scott Ramsey, MD, PhD  
Karen Syrjala, PhD  
Beti Thompson, PhD

The **BCPT program** began in 2001 with a 5 year grant from NCI. We received a 5 year renewal in 2006.

Since 2001, there have been:  
**12 pre-doctoral alumni**  
**6 post-doctoral alumni**  
**5 affiliates**  
**3 diversity supplements.**

## 2010 Trainees and Affiliates

Student	Status	Mentor(s)
Mateo Banegas	Pre-doc	Beti Thompson Gloria Coronado
Wendy Barrington	Pre-doc	Shirley Beresford Beti Thompson
Deanna Kepka	Pre-doc	Beti Thompson Gloria Coronado
Anne Kirchhoff	Post-doc	Donald Patrick Scott Ramsey
India Ornelas	Post-doc	Beti Thompson David Takeuchi
John Scoggins	Post-doc	Scott Ramsey Donald Patrick
Sara Tamers	Pre-doc	Shirley Beresford Beti Thompson
Jennifer Livaudais	Affiliate	Gloria Coronado Beti Thompson
Kerryn Reding	Affiliate	Johanna Lampe
Stephanie Whisnant	Affiliate	Shirley Beresford Donald Patrick

FRED HUTCHINSON  
CANCER RESEARCH CENTER  
A LIFE OF SCIENCE

Funding for the program is made possible by a five-year training grant from the **National Cancer Institute (NCI)**.
