

Resources

Center for Scientific Review

- Application information (grant writing, review process)
<http://cms.csr.nih.gov>
- List of study sections, panel rosters and SROs
http://www.csr.nih.gov/Roster_proto/section1.asp

National Institute of Health

- NIH funding reports based (overall NIH)
http://report.nih.gov/award/success/Success_ByActivity.cfm
- NCI specific funding reports
http://report.nih.gov/award/success/Success_ByIC_Details.cfm?IC=NCI
- Career development resources
<http://grants.nih.gov/training/extramural.htm>

NIH Office of Extramural Research

- Step-by-step application process (pitfalls and insights)
<http://grants.nih.gov/grants/submitapplication.htm>
- Standard application due dates
<http://grants.nih.gov/grants/funding/submissionschedule.htm#elec>

National Institute of Allergies and Infectious Diseases

- Grant writing resource
http://www.niaid.nih.gov/ncn/grants/default_grants.htm

National Cancer Institute

- Other grant funding resources
<http://www.nci.nih.gov/researchandfunding/organizations>

University of Washington

- Funding checklist (listserv resources)
http://healthlinks.washington.edu/rfs/funding_checklist.pdf
- Office of Sponsored Research—Grant Writing Training Sessions
<http://www.washington.edu/research/osp/gg/training.html>

Recommended Books

- “Everything you wanted to know about the NCI grants process but were afraid to ask” (2005)
Order hardcopy at <https://cissecure.nci.nih.gov/ncipubs/>
Available online at <http://www3.cancer.gov/admin/gab/2005GPB/GPB05-LowRes.pdf>
- “Writing the NIH grant proposal: A step-by-step guide”, written by William Gerin (2006)
- “The complete writing guide to NIH behavioral science grants”, edited by Lawrence Scheier and William Dewey (2008)
- “How to Write a REALLY Bad Grant Application (and Other Helpful Advice For Scientists)” written by Lloyd Fricker (2004)
- Several books are also available at the UW library: <http://healthlinks.washington.edu/rfs/gw/gwbks.html>
