

Teaching Practicum

Student Match Form

Please use this form to indicate your preferences for your Teaching Practicum experience. Indicate your rankings from 1 to 5 in the right column (1 is the assignment you most desire). You may indicate a desire to postpone your Teaching Practicum assignment until next year by entering a number on the bottom line. You cannot do this two years in a row. Note that the program's priorities for making assignments will favor the undergraduate courses, especially 301 and 302. **Please return the completed form to Lucia Wisdom by June 1.**

Name:	Year in program:
Lab:	

COURSE (NUMBER OF OPPORTUNITIES)	Rank
Autumn Quarter	1 to 5
NBIO 401 Systems Neurobiology (1)	
NBIO 450 Journal Club (1)
