

Bunchgrass Ridge: Vascular Plant Species

Including habitat affinities (M = meadow, F = forest, R = ruderal) and PNW species codes

Nomenclature: Hitchcock, C.L., and A. Cronquist. 1973. Flora of the Pacific Northwest. Univ. of Wash. Press, Seattle.

Based on presence in experimental plots (2004-2009)

Grasses

Gramineae

M	AGRE	<i>Agropyron repens</i>
M	AGSC	<i>Agrostis scabra</i>
M	BRCA	<i>Bromus carinatus</i>
F	BRVU	<i>Bromus vulgaris</i>
M	DAIN	<i>Danthonia intermedia</i>
M	ELGL	<i>Elymus glaucus</i>
M	STOC	<i>Stipa occidentalis</i>
M	FEID	<i>Festuca idahoensis</i>
F	FEOC	<i>Festuca occidentalis</i>
M	FEVI	<i>Festuca viridula</i>
F	MESU	<i>Melica subulata</i>
M	POPR	<i>Poa pratensis</i>
F	TRCA	<i>Trisetum canescens</i>

Sedges and wood rushes

Cyperaceae

–	CADE	<i>Carex deweyana</i>
M	CAHO	<i>Carex hoodii</i>
M	CAPA	<i>Carex pachystachya</i>
M	CAPE5	<i>Carex pensylvanica</i>

Juncaceae

R	LUCA2	<i>Luzula campestris</i>
---	-------	--------------------------

Ferns

Polypodiaceae

F	ATFI	<i>Athyrium filix-femina</i>
F	DRAU2	<i>Dryopteris austriaca</i>
F	POMU	<i>Polystichum munitum</i>
M	PTAQ	<i>Pteridium aquilinum</i>

Herbs, subshrubs, low shrubs

Aristolochiaceae

F	ASCA3	<i>Asarum caudatum</i>
---	-------	------------------------

Berberidaceae

F	ACTR	<i>Achlys triphylla</i>
---	------	-------------------------

Boraginaceae

M	HAMI	<i>Hackelia micrantha</i>
---	------	---------------------------

Campanulaceae

F	CASC2	<i>Campanula scouleri</i>
---	-------	---------------------------

Caprifoliaceae

F	LIBO2	<i>Linnaea borealis</i>
---	-------	-------------------------

Caryophyllaceae

F	ARMA3	<i>Arenaria macrophylla</i>
M	CEAR	<i>Cerastium arvense</i>
M	CEVU	<i>Cerastium vulgatum</i>
M	STELL	<i>Stellaria</i> sp.

Compositae

M	ACMI	<i>Achillea millefolium</i>
F	ADBI	<i>Adenocaulon bicolor</i>
M	AGAU	<i>Agoseris aurantiaca</i>
M	AGGL	<i>Agoseris glauca</i>
M	ANMA	<i>Anaphalis margaritacea</i>
M	ANMI2	<i>Antennaria microphylla</i>
M	ASLE2	<i>Aster ledophyllus</i>
M	ASOC	<i>Aster occidentalis</i>
M	ASRA	<i>Aster radulinus</i>
M	CICAO	<i>Cirsium callilepis</i>
R	CIVU	<i>Cirsium vulgare</i>
M	ERAL	<i>Erigeron aliciae</i>
F	HIAL	<i>Hieracium albiflorum</i>
M	HIGR	<i>Hieracium gracile</i>
F	LAMU	<i>Lactuca muralis</i>
M	SETR	<i>Senecio triangularis</i>
R	TAOF	<i>Taraxacum officinale</i>

Cornaceae

F	COCA	<i>Cornus canadensis</i>
---	------	--------------------------

Cruciferae

M	ARABIS	<i>Arabis</i> sp.
M	ERAR2	<i>Erysimum arenicola</i>

Ericaceae

F	CHME	<i>Chimaphila menziesii</i>
F	CHUM	<i>Chimaphila umbellata</i>
F	PYPI	<i>Pyrola picta</i>
F	PYSE	<i>Pyrola secunda</i>

Hydrophyllaceae

R	PHHE	<i>Phacelia heterophylla</i>
---	------	------------------------------

Iridaceae

M	IRCH	<i>Iris chrysophylla</i>
M	SIAN	<i>Sisyrinchium angustifolium</i>

Leguminosae

M	LANE	<i>Lathyrus nevadensis</i>
M	LULA	<i>Lupinus latifolius</i>
M	LULA2	<i>Lupinus laxiflorus</i>
M	VIAM	<i>Vicia americana</i>

Labiatae

R	PRVU	<i>Prunella vulgaris</i>
–	SADO	<i>Satureja douglasii</i>

Liliaceae

M	CASU6	<i>Calochortus subalpinus</i>
F	CLUN	<i>Clintonia uniflora</i>
F	DISPO	<i>Disporum hookeri</i> / <i>D. smithii</i>
M	FRLA	<i>Fritillaria lanceolata</i>
–	LICO4	<i>Lilium columbianum</i>

Bunchgrass Ridge: Vascular Plant Species

Herbs, subshrubs, low shrubs (cont.)

F	SMST	<i>Smilacina stellata</i>
F	TROV	<i>Trillium ovatum</i>
–	XETE	<i>Xerophyllum tenax</i>

Onagraceae

F	CIAL	<i>Circaea alpina</i>
R	EPAN	<i>Epilobium angustifolium</i>
R	EPMI	<i>Epilobium minutum</i>
R	EPWA	<i>Epilobium watsonii</i>

Orchidaceae

F	COMA3	<i>Corallorhiza maculata</i>
F	COME	<i>Corallorhiza mertensiana</i>
F	COST	<i>Corallorhiza striata</i>
F	GOOB	<i>Goodyera oblongifolia</i>
F	LICA3	<i>Listera caurina</i>

Polemoniaceae

M	MIGR	<i>Microsteris gracilis</i>
M	PHDI	<i>Phlox diffusa</i>

Polygonaceae

M	PODO	<i>Polygonum douglasii</i>
M	POMI2	<i>Polygonum minimum</i>
R	RUAC	<i>Rumex acetosella</i>

Portulacaceae

M	CLLA	<i>Claytonia lanceolata</i>
R	MOSI	<i>Montia sibirica</i>

Primulaceae

F	TRLA2	<i>Trientalis latifolia</i>
---	-------	-----------------------------

Ranunculaceae

F	ACRU	<i>Actaea rubra</i>
F	ANDE	<i>Anemone deltoidea</i>
F	ANLY2	<i>Anemone lyallii</i>
F	ANOR	<i>Anemone oregana</i>
–	AQFO	<i>Aquilegia formosa</i>
M	DEME	<i>Delphinium menziesii</i>
–	RAUN2	<i>Ranunculus uncinatus</i>

Rosaceae

M	FRVE	<i>Fragaria vesca</i>
M	FRVI	<i>Fragaria virginiana</i>
–	GEMA	<i>Geum macrophyllum</i>
F	RULA	<i>Rubus lasiococcus</i>
F	RUUR	<i>Rubus ursinus</i>

Rubiaceae

F	GAOR	<i>Galium oreganum</i>
F	GATR	<i>Galium triflorum</i>

Santalaceae

M	COUM	<i>Comandra umbellata</i>
---	------	---------------------------

Saxifragaceae

F	TITR	<i>Tiarella trifoliata</i>
---	------	----------------------------

Scrophulariaceae

M	ORIM	<i>Orthocarpus imbricatus</i>
M	PEPR	<i>Penstemon procerus</i>
M	VEAM	<i>Veronica americana</i>

Umbelliferae

M	LOTR	<i>Lomatium triternatum</i>
F	OSCH	<i>Osmorhiza chilensis</i>

Violaceae

F	VIGL	<i>Viola glabella</i>
M	VINU	<i>Viola nuttallii</i>
F	VIOR2	<i>Viola orbiculata</i>

Tall shrubs and hardwood trees

Aceraceae

F	ACCI	<i>Acer circinatum</i>
---	------	------------------------

Berberidaceae

F	BEAQ	<i>Berberis aquifolium</i>
F	BENE	<i>Berberis nervosa</i>

Caprifoliaceae

–	SARA	<i>Sambucus racemosa</i>
F	SYMO	<i>Symphoricarpos mollis</i>

Compositae

M	HAGR	<i>Haplopappus greenei</i>
---	------	----------------------------

Ericaceae

M	VACA	<i>Vaccinium caespitosum</i>
F	VAME	<i>Vaccinium membranaceum</i>
F	VAPA	<i>Vaccinium parvifolium</i>

Fagaceae

–	CACH	<i>Castanopsis chrysophylla</i>
---	------	---------------------------------

Grossulariaceae

–	RICE	<i>Ribes cereum</i>
–	RILO	<i>Ribes lobbii</i>

Rhamnaceae

R	CEVE	<i>Ceanothus velutinus</i>
–	RHPU	<i>Rhamnus purshiana</i>

Rosaceae

–	AMAL	<i>Amelanchier alnifolia</i>
–	PREM	<i>Prunus emarginata</i>
–	PREM	<i>Prunus emarginata</i>
F	ROGY	<i>Rosa gymnocarpa</i>
–	RUPA	<i>Rubus parviflorus</i>
–	SOSI	<i>Sorbus sitchensis</i>
