

**CURRICULUM VITAE**  
**Nancy Gray Stevens, M.D., M.P.H.**

Office Address: Department of Family Medicine  
Box 354696  
4225 Roosevelt Way NE Suite 308  
Seattle, WA 98105-6099  
(206) 616-3437  
(206) 685-8963 (FAX)

**Education**

1969–1971 Undergraduate, University of Washington, Seattle, Washington  
1971–1973 B.A., Evergreen State College, Olympia, Washington  
1974–1979 M.D., University of Washington, Seattle, Washington  
1975–1982 M.P.H., University of Washington, Seattle, Washington

**Postgraduate Training**

1979–1982 Resident, Family Practice Residency, St. Lawrence Hospital, Michigan State University, Lansing, Michigan  
1981–1982 Fellow, Faculty Development Fellowship, Office of Medical Education, Research, and Development, Michigan State University, Lansing, Michigan  
1996–1997 Professional Sabbatical Leave, Group Health Cooperative, Center for Guidelines and Clinical Improvement. Seattle, Washington  
2006–present Academic Associate, Seattle Psychoanalytic Society and Institute, Seattle, Washington

**Academic Administrative Experience**

1974 Research Assistant, Epidemiology, Oxford University, Oxford, United Kingdom  
1980–1981 Chief Resident in Family Practice, St. Lawrence Hospital, Michigan State University, Lansing, Michigan  
1982–1986 Residency Faculty, University Hospital, Seattle, Washington  
1987–1993 Associate Director, Network Faculty Development Fellowship, Department of Family Medicine, University of Washington, Seattle, Washington

1988–1991	Co-Director, Family Medicine-Geriatric Medicine Fellowship, University of Washington, Seattle, Washington
1993–1996	Medical Director, Clinical Section Head, Department of Family Medicine, University of Washington, Seattle, WA
1993–present	Director, Network Faculty Development Fellowship, Department of Family Medicine, University of Washington, Seattle, WA
1999-present	Director, University of Washington Family Medicine Residency Network

## **Faculty Positions**

1979–1982	Instructor, Department of Family Practice, Michigan State University, Lansing, Michigan
1982–1993	Assistant Professor, Department of Family Medicine, University of Washington, Seattle, Washington
1984–1993	Adjunct Assistant Professor, Department of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle, Washington
1993–2005	Associate Professor, Department of Family Medicine, University of Washington, Seattle, Washington
1993–2005	Adjunct Associate Professor, Department of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle, Washington
1998-2005	Faculty Associate, Department of Medical History and Ethics
2005-present	Adjunct Associate Professor, Department of Pediatric Dentistry, School of Dentistry
2005-present	Professor, Department of Family Medicine, University of Washington, Seattle, Washington
2005-present	Adjunct Professor, Department of Epidemiology, School of Public Health and Community Medicine, University of Washington, Seattle, Washington
2005-present	Adjunct Professor, Department of Medical Humanities and Ethics, School of Medicine, University of Washington, Seattle, Washington

## Board Certification

1982	Board Certified in Family Practice
1988; 1995; 2002; 20-	Recertified in Family Medicine
1984	ACLS Certified
1987	Certified to Administer and Interpret Myers-Briggs Type Indicator
1996	ALSO Certified

## Licensure

1980	Michigan (inactive)
1982–present	Washington

## Organizations

American Academy of Family Physicians  
 Washington Academy of Family Physicians  
 King County Medical Society  
 Washington State Medical Association  
 American Medical Women's Association  
 Society of Teachers of Family Medicine  
 North American Primary Care Research Group  
 American Psychoanalytic Association

## Editorial Responsibilities

1984	Pre-publication Review, <i>Clinical Epidemiology: The Study of the Outcome of Illness</i> by Noel S. Weiss.
1984–present	Reviewer, <i>Journal of Family Practice</i>
1990–present	Reviewer, <i>Journal of the American Board of Family Medicine</i>
1993	Reviewer, <i>American Academy of Family Physicians Home Study Monograph Program: Depression</i>
1994–present	Reviewer, <i>British Medical Journal</i>
1998–present	Reviewer, <i>Cancer Causes and Control</i>
1996–present	Reviewer, <i>Family Medicine</i>
1999–2005	Editorial Board, <i>Family Medicine</i>
2000–2007	Editorial Board, <i>Gene Reviews</i>
2006–present	Reviewer, <i>Hospital Psychiatry</i>
2001–present	AMA CME Advisory Board: Identifying Heredity Risk of Breast and Ovarian Cancer
2004	Reviewer, <i>American Academy of Family Physicians Home Study Monograph Program: Clinical Genetics</i>

## Special Departmental Responsibilities

*Chairperson of:*

1982–1984	Team 1 Leader
1985	Faculty Development Task Force
1982–1985	FMC Quality Assurance Committee
1986	New Faculty Orientation Task Force
1993–1996	Credentials Committee
1993–1996	Clinic Management Committee
2001-2002	Faculty Leaves Committee
2001-2007	Computing and Technology Committee

*Member of:*

1982–1984	Clinic Committee
1982–1985	FMC Research Committee
1983	Ad Hoc Task Force on Departmental Reorganization, represented residency and clinic
1983	Network Geriatric Curriculum Committee
1984	Elected to Residency Grievance Committee
1984–1985	Clinical Affairs Ad Hoc Group
1984–1985	Faculty Recruitment Committee
1984–1986	RWJ Fellowship Selection and Steering Committee
1985	Behavioral Science Recruitment Committee
1985–86; 1988–89; 1993-1995; 1999-present	Chairman’s Advisory Committee
1987-1990	Planning Committee, Network Faculty Development Day
1990–1995	Advisory Board, Lipid Study: Policy and Practice
1991–1994	Advisory Board and Expert Panel, Mammography Screening Project
1991	Planning Committee, Network Resident Retreat
1993-1994	Clinical Expansion Planning Group
1993-1994	Roosevelt Planning Group
1993-1995	Resident Selection Committee
1994–1996	Family Medical Center Committees: Quality Assurance Information Management, Laboratory, Research, Supervisors
1995-present	Chairman’s Advisory Committee
1996-present	Residency Network Education Committee
1997	Clerkship Leadership Team
1999-present	Network Finance Committee
1999-present	Network Executive Committee

**Special School, Regional and National Responsibilities***Health Sciences*

1983-1988	Interdisciplinary Nursing Home Project Committee
1989	Interdisciplinary Ethics Committee
1998-present	Advisory Committee, Center of Excellence in Women’s Health
1999	Group Leader - Biomedical Research Integrity; Research and Graduate Education; UWSOM

*School of Medicine*

1995-present	Regional Faculty Development Group
1999-2000	Residency Review Committee
2000	Faculty Development Work Group
2000-2001	Review Committee UWMC Residency
2000-2001	Faculty Development Implementation Committee
1999-present	Ex-officio Member, Family Practice Education Advisory Board
2003-present	Dean's Standing Committee on Women in Medicine
2006-present	Subcommittee on Family and Maternity Leaves
2003-present	Special Committee on Medical Liability

*University of Washington Academic Medical Center*

1993–1996	University of Washington Academic Medical Center Utilization Review Committee
1993-1996	Founding Member: University of Washington Academic Medical Center Health Plans Board
1996-2000	Co-chair Depression Guidelines Committee
1999-2001	Dean's Committee to review issues related to the UWMC Family Practice Residency
2008-present	Graduate Medical Education Committee

*University of Washington Medical Center*

1993–1996	Medical Staff Administrative Committee (MSAC)
1993-1994	Roosevelt Primary Care Marketing Steering Committee
1994–1996	UWMC—Roosevelt Management Board
1994–1996	Roosevelt Primary Care Communications Team
1995-1996	Chair: UWMC—Roosevelt Clinical Care Committee
1995-1996	Chair: UWMC—Roosevelt Information Systems Task Force
1995-1996	UWMC—Roosevelt Finance Committee
1997-1998	UWMC – Deep Venous Thrombosis Clinical Care Pathway Committee
1998-present	Ethics Advisory Committee

*University of Washington*

1998-present	Graduate School Representative on Dissertation Committees in Departments of Pathology, Sociology, Social Work, Nutritional Science and Psychology
2001-2005	University of Washington Faculty Senate

*Regional Responsibilities*

## Washington Academy of Family Physicians

1983–1986	Committee on Aging
1987–present	Research Committee

1990–1996            Chairperson, Research Committee  
 1990–1995            Commission on Public Health and Scientific Affairs  
 1998-1999            Commission on Education

Washington State Medical Society

1996-1998            Committee on Women

Visiting Professor

June 3-5, 1992        Primary Care Faculty Development Fellowship Program, Michigan State University  
 August 8-9, 2000     Oregon Health Sciences, Portland, Oregon  
 June 7, 2002          Judge - 2<sup>nd</sup> Annual Clinical Research and Performance Improvement Symposium, Naval Hospital, Bremerton WA  
 May 20-22, 2004     University of California, Davis, Residency Network Retreat  
 2003-2004            Director, Yearlong Televideo Faculty Development Course, University of Wyoming Family Medicine Residency, Casper, WY  
 2007-present         State of Washington DSHS Genetic Family History and Electronic Health Records project

*National Responsibilities*

Society of Teachers of Family Medicine:

- a. 1990–present    Member, Groups on Faculty Development, Genetics, Oral Health
- b. 1993–1995      Professional Development Research Sub-committee
- c. 1998-2000      Co-chair Legislative/Government Affairs for Faculty Development Task Force
- d. 2000-2003      National Genetics in Primary Care Project: Education Consultant and Team Leader
- e. 2003-2005      Chair, National Faculty Development Group
- f. 2003-2007      Steering Committee, National Faculty Development Group
- g. 2004-present    Group on Oral Health
- h. 2003-present    Group on Genetics, Co-Chair 2006-present
- i. 2007              STFM Advocacy Award to the UW Residency Network for national advocacy for family medicine funding and Community Health Center collaboration.
- j. 2007              STFM Innovation Award for Smiles for Life national curriculum

1997, 1998, 2000    U.S. Department of Health and Human Services, Bureau of Health Professions, Peer Review Branch for Faculty Development Program: Grant Review Panel  
 2007                    U.S. Department of Health and Human Services, Bureau of Health Professions, Peer Review Branch for Faculty Development Program: Grant Review Panel

2002-present        Family Practice Inquiries Network: Founding Board Member  
 2006-present        FPIN Vice President for Membership

2004-2006 Medical Director, AAFP Annual Clinical Focus: Genomics  
2006-present AAFP Advisory Committee on Newborn Screening

### **Peer-Reviewed Research Presentations**

1. Placental Hemorrhagic Endovasculitis: Risk Factors and Impact on Pregnancy Outcome.
  - a. Annual Meeting of the North American Primary Care Research Group; Banff, Alberta, Canada; April 19, 1983.
  - b. International Congress of Pathology; San Francisco, California; March 13, 1984.
2. Functional Assessment in the Elderly: Testing of a Structured History-Taking Instrument. Western Regional Meeting of the Society of Teachers of Family Medicine; Seattle, Washington; September 17, 1984.
3. Mentoring: How to Find and Build a Productive Relationship. Seminar, Society of Teachers of Family Medicine Annual National Meeting; Seattle, Washington; May 7, 1990.
4. A Fellowship Model for Faculty Development that Works: Experiences at Three Sites. Society of Teachers of Family Medicine Western Regional Meeting; San Diego, California; October 21, 1991.
5. Physician's Policies on Hormone Replacement: A Study in Four Western States. Poster presentation. North American Menopause Society Annual Meeting; Chicago, Illinois, September 26-27, 1996.
6. Title VII Family Medicine Faculty Development Fellowships: Building Better Faculty Three Ways. Association of American Medical Colleges; New Orleans, LA; October 1998.
7. Six Creative Responses of Residency Programs to Their Sense of Place. (Planned and organized for a faculty and resident from six Network programs to present their program's project). Society of Teachers of Family Medicine Annual Meeting; Seattle, WA, April 29, 1999.
8. Faculty Development in Transition: Diverse Needs, Diverse Solutions. Pre-session Panel. Society of Teachers of Family Medicine Annual Meeting; Orlando, FL, May 3, 2000.
9. Genetics in Primary Care: A Faculty Development Initiative: Defining What FPs Need to Know About Genetics. Society of Teachers of Family Medicine Annual Meeting; Orlando, FL, May 6, 2000.
10. Conducting a Yearlong Faculty Development Program Using Video Conferencing (Title VII Federal Poster Session). Society of Teachers of Family Medicine Annual Meeting; Denver, CO, April 29, 2001.
11. Double Helix and Primary Care: Expressing Genetics in Family Practice Faculty Development and Teaching. Annual Workshop for Directors of Family Practice Residencies, Kansas City, MO, June 3-4, 2001

12. Training and Practice of a Generation of Family Practice Physicians: A Cross-sectional Survey of 870 Graduates Over 30 Years of a Regional Residency Network. Society of Teachers of Family Medicine Annual Meeting; San Francisco, CA, April 26-30, 2002
13. Residents in Difficulty: Two Management Models That Make Your Job Easier. Annual Workshop for Directors of Family Practice Residencies, Kansas City, MO, June 2-4, 2002
14. Residents in Difficulty: Two Management Models That Make Your Job Easier. Annual Workshop for Directors of Family Practice Residencies, Kansas City, MO, June 1-3, 2003
15. Promoting Scholarship: Authoring Clinical Inquiries with Residents. Annual Workshop for Directors of Family Practice Residencies, Kansas City, MO, June 1-3, 2003
16. Applying Faculty Futures Initiatives to Self-Plus 360 degree Assessment in Faculty Development. Society of Teachers of Family Medicine Annual meeting; Atlanta GA, September 19-24, 2003
17. Using the FFI Competencies for Career Development. Society of Teachers of Family Medicine Annual meeting; Atlanta GA, September 19-24, 2003
18. Saying Ahh – an oral health curriculum for Family Medicine Residents. Society of Teachers of Family Medicine Annual meeting; Toronto, Canada, May 12-16, 2004
19. STFM Group on Faculty Development's Electronic Toolbox: A Resource for all STFM Members. Society of Teachers of Family Medicine Annual meeting; Toronto, Canada, May 12-16, 2004
20. Teaching Practical Evidence-based Medicine Skills and Promoting Scholarly Work Through Coauthoring Clinical Inquiries with Residents. Society of Teachers of Family Medicine Annual meeting; Toronto, Canada, May 12-16, 2004
21. What Makes the Practice of Family Medicine Satisfying? Society of Teachers of Family Medicine Annual meeting; New Orleans, April 30-May 4, 2005
22. The Pilot Family Medicine Digital Resource Project: How this Informs. STFM's FDMRL. Society of Teachers of Family Medicine Annual meeting; New Orleans, April 30-May 4, 2005
23. Self and 360 Degree Assessment in Family Medicine Faculty Development. Sara Kim, Nancy G. Stevens and Jane Keary. AAMC Western Group on Educational Affairs, Denver, April 1-3, 2005.
24. STFM Oral Health Presentation 2005
25. STFM FPIN presentation 2006
26. STFM Prepared but not practicing Freddy Chen research presentation 2006
27. Smith P and Stevens N: Family Physicians Inquiries Network: A "Quiver of One" for Achieving Resident and Faculty Scholarship. Presented at the 2007 Annual STFM Spring

Conference; April 25-29, 2007; Chicago, IL.

28. Stevens N: Integration of Evidence-based Medicine into Faculty Development: Getting Started with the Family Physicians Inquiries Network. Presented at the Workshop for Directors of Family Medicine Residencies; June 2007; Kansas City, MO.
29. STFM 360 degree formative evaluation for faculty 2008
30. STFM Outcomes of faculty development fellowship training 2009
31. STFM Using FPIN to meet the scholarship requirements for residencies 2009

## **Invited Presentations**

### *University of Washington*

1. Learning Styles: An Experience in Understanding Individual Differences for Effective Interactive Teaching and Feedback. Winter Retreat, Dept. of Family Medicine Residency, UWSOM; Seattle, WA; February 10, 1999.
2. Boundary Issues; UWSOM; Dept. of Family Medicine R-3s; Seattle, WA; May 1999
3. Leadership and Change Management Course: Certificate Program in Medical Management; Guest lecturer, Winter 2002, 2003, 2004, Spring 2005, 2006, 2007

### *Regional*

1. Issues Facing New Faculty. Workshop, Residency Network Faculty Development Day; Seattle, Washington; October 23, 1987.
2. Can Residents Really Do Research? Presentation, Network Resident Research Retreat; Alderbrook, Washington; April 10, 1988.
3. Faculty Stress: Sources and Strategies. Workshop, Residency Network Faculty Development Day; Seattle, Washington; October 14, 1988.

4. Myers-Briggs Type Indicator Workshops
  - a. Valley Family Care Faculty Development Day, March 1988.
  - b. Tacoma Family Medicine Residency Retreat, January 1989.
  - c. Valley Family Care Residency, Oct. 1990; Sept. 1991; February 1994; May 1999.
  - d. Family Medical Center Staff Retreat, June 1991.
  - e. Providence Family Medicine Residency, annually 1991-present.
  - f. UWMC Family Medicine Residency, annually 1994-1998; 2001-2: 2009
  - g. Network Faculty Development Fellowship, annually 1988-present
  - h. PRO-West Medical Review Staff, 1999
  - i. Group Health Cooperative Family Medicine Residency, March 2000
  - j. Washington State Medical Assn. Board Retreat, June 2000, November 2003, 2006-2008
  - k. Providence/St Peter Family Practice Residency, May 2001-May 2002
  - l. UWSOM Senior Faculty Development Day, March 21, 2003
  - m. WWAMI Program Coordinators Retreat, March 15, 2004
  - n. Family Medicine of SW WA Faculty, April 7, 2004
  - o. UWMC Division of Neonatology, June 4. 2003
  - p. Staff development-UWSOM Academic Affairs 2006
  - q. Medical Leadership Course School of Public Health 2006 to present
5. Working Through a Research Idea. Workshop, Network Resident Research Retreat; Alderbrook, Washington; April 21, 1990.
6. Men and Women as Colleagues Presentations
  - a. Female Providers Meeting, East Region, Group Health Cooperative of Puget Sound; October 1992.
  - b. Keynote address, Yin of Medicine Course, Group Health Cooperative of Puget Sound; May 1993.
  - c. American Medical Women's Association, Seattle Chapter; October 1993.
7. Clinical Policy Development in an Academic Medical Center. Depression and Diabetes. Northwest Leadership Institute; January 1997.
8. Controversies in Primary Care: An Evidence-Based Approach to Clinical Practice; Dept. of Family Medicine, UWSOM; CME; January 30-31, 1998.  
Management of DVT: Low Molecular Weight Heparin Outpatient Management
9. Standards, Evaluation and Feedback: Identification of Resident and Student Performance, WAFP 49<sup>th</sup> Annual Meeting and Scientific Assembly. Seattle, WA; May 14-16, 1998.
10. Faculty Development, Past, Present and Future; OHSU Faculty; Portland, OR; August 9, 2000
11. Managing Learners in Difficulty; Madigan Army Medical Center Annual Faculty Development Course 2005, Tacoma, Washington.
12. Networking in Academic Medicine; Madigan Army Medical Center Annual Faculty Development Course 2006, Tacoma, Washington.
13. Genomics in Medicine; Primary Care Update, Spokane, Washington

14. Is this learner below the line? Dealing with learners in difficulty: Madigan Army Medical Center Annual Faculty Development Course 2007, Tacoma, Washington.

### *National*

1. Men and Women as Colleagues Presentations
  - a. Keynote address, Primary Care Research and Development Conference; East Lansing, Michigan; June 5, 1992.
  - b. US Navy: National Family Practice Program Director's Meeting, May 1996
2. Genetics for Primary Care Providers Course; STFM; Bethesda, MD; September 1999
3. Scientific Advances and the Role of Family Physicians: The New Genomics; Annual Meeting; American Association of Medical Colleges, San Francisco, November 10, 2002
4. Models for managing Residents in Difficulty; University of Illinois, College of Medicine at Rockford, Department of Family Medicine; Televidio. May 19, 2004
5. Keynote Address: What does Being Part of a Network Mean to Residency Programs: The University of Washington Experience; University of California at Davis, May 21, 2004
6. Mainstage Presentation: Genomics - Answering Patient's Questions; AAFP/WONCA Family Physicians Scientific Assembly; Orlando, October 13-17, 2004
7. Genomics Impacts Practice: How to Stay Current; AAFP Course: Infant Child and Adolescent Course, San Francisco, November 16-21, 2004
8. Clinical Applications of Advances in Genomics; AAFP Course: Selected Internal Medicine Topics for Family Physicians, St Kitts, March 7<sup>th</sup>-11, 2005
9. AAFP Annual Clinical Focus: Genomics, National Coalition for Health Professional Education in Genetics Annual Meeting, Bethesda, Feb 2, 2006
10. STFM Advocacy Award presentation April 2007
11. STFM Innovation Award presentation April 2007

## **Teaching Activities**

### *Medical/Health Sciences Students*

- |              |                                                                                        |
|--------------|----------------------------------------------------------------------------------------|
| 1985-present | Teach annual session: Introduction to Medical Ethics                                   |
| 1990-1996    | Chair, WAFP Research Committee, review process for WAFP Medical Student Research Award |
| 1997         | Acting Director, Family Medicine Clerkship to cover faculty sabbatical                 |
| 1997-2000    | Advisor, Medical Student Independent ISP as needed                                     |
| 1999         | Liaison to Clerkship for Family Medicine Residency Network                             |
| 1999-present | Liaison to Family Medicine Advisory Group for Residency Network                        |
| 1999-present | Introduction to Clinical Medicine Small Group Tutor                                    |
| 2001-2004    | PI for Clerkship regional faculty development project                                  |
| 2007         | Faculty mentor for fellow diabetes management project for FM clerkship                 |

*Resident Teaching*

1982-86	Core faculty of UWMC Residency
1993-96	Medical Director, UWMC Family Medical Center
1982-2000	Clinic attending with full spectrum of patients
1984-86	Developed geriatric curriculum including clinical rotation at Foss Home
1982-present	Multiple WWAMI on-site education sessions: leadership/team work using personality type, boundary issues, residency formal and informal career advising
2001-present	WWAMI annual chief resident course
2001-present	Team leader, curriculum development in genomics
2001-present	WWAMI Residency Network developer for oral health curriculum
2006-2007	Mentor for UWMC Chief Resident's teaching curriculum for residents

*Fellowship teaching*

1987-present Mentoring, curriculum design and teaching of 10 faculty development fellows for 5 fulltime teaching weeks every year for 19 years.

**External Funding**

1. 1995-2004: PI: U.S. Department of Health and Human Services, Bureau of Health Professions Grant; Faculty Development in Family Medicine
2. 1999-2000: Co-PI: Smith, Kline & Beecham Pharmaceutical Grant; Care and Outcome Evaluation of Guideline Implementation for the Identification and Treatment of Depression in an Academic Medical Center Managed Care Setting
3. 2000-2001: PI: Genetics in Primary Care: A Faculty Development Initiative, Society of Teachers of Family Medicine Grant
4. 2001-2004: Genetics Through a Primary Care Lens: HRSA, PI: Wylie Burke, MD, PhD, Department of Medical History and Ethics
5. 2001-2004: Interdisciplinary Childrens' Oral Health Promotions: HRSA, PI: Wendy Mouradian, MD, Department of Pediatric Dentistry
6. 2005-2008: PI: U.S. Department of Health and Human Services, Bureau of Health Professions Grant; Faculty Development in Family Medicine
