

**Kettering College of Medical Arts**

**The Vaughan-Beaven  
Service Learning Honors Program  
Student Survey  
Attitude Assessment**

**Mother's Maiden Name**

---

Please answer the survey questions relying on the following definitions:

**Service:** Any activity in which a community work component was performed for free.

**Learning:** Any activity in which some idea, concept, knowledge and/or skill was attained.

**Servant Leadership:** Personal, social, civic and professional accountability to reduce disparities within communities.

**Christian ethic of service:** Performing service using Jesus as a role model.

**Multi-professional/disciplinary environment:** Working with a variety of diverse professionals.

This survey is designed to measure student attitudes and perceptions of service learning, and servant leadership. Relying on your current feelings about the issues raised, please complete all parts of this survey answering each question as honestly as possible. Your responses will be kept confidential. Thank you for your participation.
