

Community-Campus Partnerships for Health

We invite you to visit the Resources section of our website at www.ccph.info for these and many other helpful tools related to Community-Based Participatory Research (CBPR)!

CCPH Major Programs & CBPR

- ✓ **CCPH Fellows** — several Fellows received funding for projects that advance CBPR. For more information go to: <http://futurehealth.ucsf.edu/ccph/fellows2002.html>.
- ✓ **CCPH Awards** — recognizes exemplary partnerships between communities and higher educational institutions and highlights CBPR as a strategy for promoting community-campus partnerships. For more information go to: <http://futurehealth.ucsf.edu/ccph/awards2.html>.
- ✓ **CCPH Annual Conference** — often includes tracks and/or commissioned papers that emphasize CBPR. For more information on past conference proceedings go to: <http://futurehealth.ucsf.edu/CCPH/guide.html#CommPap2000>.
- ✓ **CCPH Online Clearinghouse** — visit the site for sample CBPR course syllabi and faculty promotion and tenure policies that recognize CBPR as scholarship: <http://futurehealth.ucsf.edu/ccph/commbas.html#Syllabi>. <http://futurehealth.ucsf.edu/ccph/scholarship.html>.

CCPH Special Projects & CBPR

- ✓ Federal agency-sponsored CBPR conferences. For more information go to: <http://futurehealth.ucsf.edu/ccph/commbas.html#Tools>.
- ✓ Symposiums on CBPR in Seattle, Washington at the University of Washington School of Public Health. For more information go to: <http://futurehealth.ucsf.edu/ccph/commbas.html>. The site includes definitions, tools and resources, CBPR course syllabi, and weblinks.
- ✓ Paper written for the U.S. National Institutes of Health (NIH) Office of Behavioral and Social Sciences Research on the infrastructure requirements of CBPR partnerships. For more information go to: <http://futurehealth.ucsf.edu/ccph/researchprojects.html#Infrastructure>.
- ✓ Study of the community involvement of academic health centers and their involvement in community-based education, research, and clinical care; community service; and community or economic development activities. For more information go to: <http://futurehealth.ucsf.edu/ccph/researchprojects.html>.
- ✓ Project to examine community partnerships for prevention research and to test ways of building the capacity of communities and universities to engage in such partnerships. This project involves 9 partner organizations. Funding for the project is from the U.S. Centers for Disease Control and Prevention's Prevention Research Center Program through the Association of Schools of Public Health. For more information go to: <http://futurehealth.ucsf.edu/ccph/researchprojects.html#ExaminingCommunityPartnerships>.
- ✓ With the support of the WK Kellogg Foundation, CCPH will be convening a Commission on Community-Engaged Scholarship in the Health Professions to work on creating a more supportive culture and reward system for faculty involved in CBPR, service-learning, and other forms of "community-engaged scholarship." For project updates, go to <http://futurehealth.ucsf.edu/ccph/scholarship.html>.
