

CCPH 11th Conference

April 29- May 2, 2009 □ Milwaukee, WI USA

Creating the Future We Want to Be: Transformation through Partnerships

Community-Campus Partnerships for Health is convening our 11th conference to nurture a growing network of community-campus partnerships that are striving to achieve the **systems and policy changes need to address the root causes of health, social and economic inequalities**. The conference, "Creating the future we want to be: Transformation through Partnerships," seeks to build knowledge, skills and actions for achieving healthy and just societies.

***Join Hundreds of Colleagues
Who – Like You – Are Passionate
About the Power of Partnerships to
Transform Communities & Academe!***

Sessions will address these sub-themes:

- Journeys of Transformation
- Sustaining partnerships and the outcomes they achieve
- Building Capacity
- Community-campus partnerships as a global unit
- Innovative and promising partnership practices
- Community-based participatory research as a tool for social justice
- Interprofessional interdisciplinary and/or intersectoral collaborations
- Youth and student leadership
