Transforming Communities & Higher Education

Join the **Community Partner Listserv & Workgroups!**

Are you a **community member, community partner** or **community-academic liaison** interested in *connecting* with your peers to build greater capacity, *support* each other in your work, and *strengthen* the collective network of community partners engaging in community-higher education partnerships? If so, consider joining the **Community Partner Listserv** and/or **Community Partner Workgroups**, established as a direct result of the Wingspread Community Partner Summit (CPS) convened in 2006 by Community-Campus Partnerships for Health (CCPH) with support from the Community-Based Public Health Caucus of the American Public Health Association, the National Community-Based Organization Network, the National Community Committee of the CDC Prevention Research Centers Program, the WK Kellogg Foundation, the Johnson Foundation and Atlantic Philanthropies.

Community Partner Listserv: This electronic discussion group focuses on issues specific to the community partner perspective when engaged in community-higher education partnerships. The listserv aims to support conversations emerging among community partners engaged in community-higher education partnerships who are seeking to achieve sustainable and systemic change through their work.

Community Partner Workgroups:

The Mentoring Workgroup is developing and implementing peer mentoring and leadership development activities that build the capacity of community partners to engage in authentic community-higher education partnerships and succeed in their community-building work.

The Policy Workgroup is developing and advocating for policies that support authentic community-higher education partnerships, including how funding is structured, reviewed, distributed, and evaluated.

To learn more...dial into a free informational conference call!

On each call, CPS participants and CCPH will give an overview of the Mentoring and Policy Workgroups and opportunities for involvement. No registration is required.
