### NEW AT CCPH

\***CCPH Welcomes New Membership Coordinator!** We are excited to welcome new membership coordinator, Cate Clegg to our team! Cate earned her Bachelors of Arts at the University of Oregon in International Studies, an interdisciplinary major that exposed her to the complexity and diversity of the world today. Her academic interests became focused on issues of inequity and community development in the developing world. This passion was further heightened by her experience studying abroad in Dakar, Senegal of West Africa and was focused towards issues of public health when struck by the region's glaring need for basic healthcare. Cate brings to CCPH excellent administrative skills from her past positions with the Summer Institute on Intercultural Communications at the Intercultural Communications Institute in Portland, Oregon, and for the University of Washington's Fast Track and Families Moving Forward projects. Cate also brings a wealth of customer service skills to the position from her many years of experience as a barista in cafes in Eugene, OR and Seattle, WA. Learn more about Cate at <http://depts.washington.edu/ccph/staff.html>. She can be reached at [cleggc@u.washington.edu](mailto:cleggc@u.washington.edu) or (206) 543-8010.
