***Scholarships Available to Attend CCPH's 10th Anniversary Conference, April 11-14 in Toronto.** Scholarships help defray registration, hotel, and/or transportation expenses for participants unable to attend the conference without financial support. The deadline to apply is **January 16** (for community-based individuals from the US and Canada); **January 29** (for community-based individuals, including students, from Ontario, Canada, who are addressing HIV in the context of social determinants of health); and **March 16** (for students at Canadian post-secondary institutions). ***Applications Due January 17 for Toronto-Area Community Site Visits.** We are seeking applications from organizations involved in innovative community-campus and other partnerships in the Toronto area to host a site visit during CCPH's 10th anniversary conference, April 11-14. Community site visits provide an opportunity for conference participants to learn in-depth from local partnerships by spending about three hours touring and talking with the partnership's major stakeholders. Are you involved in a partnership in the Toronto area? Consider applying to host a community site visit! For more information, visit <http://depts.washington.edu/ccph/conf-sitevisits.html>
