### Community Partner Peer Mentoring

#### ~ Consultant Biographies ~

**Elmer R. Freeman, MSW, PhD(c)** is Executive Director of the Center for Community Health Education Research and Service (CCHERS), a partnership to promote reform in health professions education between Boston University School of Medicine, Northeastern University Bouvé College of Health Sciences, Boston Medical Center, the Boston Public Health Commission and fifteen community health centers in the City. Elmer is also past board member of Community-Campus Partnerships for Health and currently serves as a consultant on the Engaged Institutions Initiative.

**Ella Greene-Moton, CCPH Board Chair and EII Consultant,** is Past Chair of the National Community Committee of the CDC Prevention Research Centers Program; Past Chair of the Community-Based Public Health Caucus, member of the Action Board, and member of the Joint Policy Council of the American Public Health Association. Ella also serves as Community/Academic Consultant as well as Program Coordinator at the Center of Public Health and Community Genomics and the Community-Based Public Health Office at the School of Public Health -UM Ann Arbor.

**Susan Ann Gust** owns a construction related small business. Her volunteer and civic work includes Co-Coordinator of GRASS Routes (Grassroots Activism, Sciences and Scholarship), an initiative at University of Minnesota assisting in the forming, mentoring and sustaining of community-university partnerships. She also co-founded and serves on the Phillips Neighborhood Healthy Housing Collaborative and the boards of a community clinic and the Cultural Wellness Center. Additionally Susan is serving her 2nd term appointment as the Ward 6 representative to the City of Minneapolis's Public Health Advisory Committee and her first term on the board of Community-Campus Partnerships for Health.

### EII Teleconference Coordinator

**Andrea Corage Baden, MPH,** is Consultant for Community-Campus Partnerships for Health, providing resource support on the Kellogg Engaged Institutions Initiative. She is currently pursuing a doctorate in sociology at the University of California San Francisco, focusing on environmental health, justices and disparities.

---

*The Engaged Institutions Initiative (EII) supports sustained efforts by schools and graduate programs of public health to eliminate racial and ethnic health disparities in partnership with communities. It is coordinated by Community-Campus Partnerships for Health (CCPH) with core funding from the WK Kellogg Foundation. For more information, visit [www.ccpb.info](http://www.ccpb.info)*
