

CCPH E-News: May 2005

Dear Colleague,

Below are highlights for Community-Campus Partnerships for Health (CCPH) in the month of May. We hope this helps you stay better connected to our events, activities, and opportunities for involvement!

If you are receiving this E-News, you are NOT currently a member of CCPH. Your modest investment in CCPH helps us to continue to serve as a resource for service-learning, community-based participatory research, and community-campus partnerships more broadly that are working to improve health professions education, civic engagement and the health of communities. To read about the many additional benefits you could receive by becoming a CCPH member, please visit <http://depts.washington.edu/ccph/members.html>.

NEW AT CCPH

* **CCPH is Recruiting New Board Members** to begin three-year terms in September 2005. **Applications are due Monday, May 9, 2005.** We are searching for individuals from a wide variety of backgrounds with a broad range of experience and expertise, a passion for community-campus partnerships, ties to multiple networks and organizations, and the time and ability to contribute to a working board.

For more information and details on how to apply, visit <http://depts.washington.edu/ccph/boardrecruit2.html>.

* **New CCPH Featured Member: Audrey M. Stevenson.** Audrey is the **Family Health Services Division Director** of the **Salt Lake Valley Health Department (SLVHD)** (<http://www.slvhealth.org/index.html>). In her interview, Audrey discusses the innovative ways that the SLVHD has been forging collaborations to better provide for the needs of their community. She talks about her passion for public health and for providing services to her community. She also explains how CCPH has been helpful in providing her with information she needs, "I enjoy the newsletter. It lets me know how others are facing and solving challenges and it shares best practices."
