

## Online Membership Directory

### POLICIES

The CCPH online membership directory is designed to improve the way CCPH members communicate, to invigorate collaboration, and to help strengthen community-campus partnerships. The directory offers many powerful advantages, including a searchable database to allow members to locate other members in their area, in their discipline, or by other relevant criteria. The online directory is password protected in order to ensure the privacy of information. CCPH members and staff are the only people allowed full access. Guests (non-members) have restricted access: they can view members' names, affiliated organizations, state/province, and country.

### Fair Use Policy of the Directory

Access to the CCPH online membership directory is subject to your acceptance of the following terms of use:

- The sole purpose of the directory is to enable the CCPH membership to locate and communicate with other active CCPH members in their area, discipline, or other relevant connection.
- Use of this online membership directory for any other purposes is prohibited; violators will be subject to disciplinary action.
- We reserve the right to remove anyone at anytime for what we deem to be inappropriate use.
- By logging in and using the directory, you are in agreement with these policies and guidelines.

### Recommendations for Maximizing the Usefulness of the CCPH Member Directory

- Keep your membership profile up-to-date.
- Be as specific as possible when using the Contact Center to send a message.
- Please send us your feedback and suggestions – this directory is designed to benefit CCPH members!

*\* Members can opt not to receive messages via the Member Directory. To opt out, use the unsubscribe link in the footer of a message to change your contact preferences. CCPH staff members do not have access to this setting.*
