

Community-Campus Partnerships for Health

Transforming Communities & Higher Education

CCPH E-News: September 2009

Dear colleague,

Below are highlights for Community-Campus Partnerships for Health (CCPH) in the month of September. We hope this helps you stay better connected to our events, activities, and opportunities for involvement!

TIME-SENSITIVE ANNOUNCEMENTS

*** Register Today for September 23 Educational Conference Call on Public Participation and Community Engagement in Research.** The call, featuring presenters from the NIH Council of Public Representatives, is the fourth in CCPH's series on "Building Community Capacity for Research." Scheduled for September 23 from 3:30 - 5 pm ET, the call is free of charge for those dialing in from the US and Canada. Register today at <https://catalysttools.washington.edu/webq/survey/ccphuw/81885>

*** CBPR Funders Interest Group Conference Call on September 15.** Over thirty funders in Canada and the US that are advancing community-based participatory research (CBPR) as a tool for social justice are members of the CBPR Funders Interest Group (FIG). During the FIG's next call, members will share updates on their activities, welcome new members and plan educational and information-sharing opportunities for the year ahead. If you are a funder and would like to join the FIG, send an email to fig@u.washington.edu with your contact information and the ways in which you support CBPR.

NEWS FROM CCPH

*** CCPH Releases Conference Call for Proposals – October 16 Deadline!** Share your knowledge wisdom and experience - submit a proposal for a session or poster presentation at the next CCPH conference, May 12-15, 2010 in Portland, Oregon! The conference, "Creating the Future We Want to Be: Transformation through Partnerships" promises to be CCPH's best yet as hundreds of community and campus partners convene for 4 days of skill-building, networking and agenda-setting! Download the call for proposals at <http://depts.washington.edu/ccph/conf10-cfp.html>

*** Seeking Innovative Products of Community-Engaged Scholarship!** Do you have innovative products from your community-based participatory research, service-learning or community-academic partnership work? We are looking for products that are in forms other than journal articles – such as documentaries, training manuals, policy briefs and curricula. CES4Health.info is being launched by CCPH this fall as a web-based portal for peer-reviewing, publishing and disseminating such products. For more information, visit www.CES4Health.info. To submit a product or apply to be a reviewer, contact Editor Cathy Jordan at editor@CES4Health.info

*** Audiofiles & Handouts from CCPH's Call Series on "Building Community Capacity for Research" Now Available!** Find out how to obtain a federally negotiated indirect rate, establish a CBPR department in a community agency and catalyze CBPR at the neighborhood level. Listen to the audiofiles and download handouts from the calls at <http://depts.washington.edu/ccph/pastpresentations.html>

*** Register now for “Building Bridges from CBPR to Policy”, November 7 in Philadelphia.** CCPH is co-sponsoring this learning institute being offered at the American Public Health Association conference. For details, visit <http://apha.confex.com/apha/137am/webprogram/Session26911.html>

LIKE WHAT YOU’RE READING?

This E-News is CCPH's free e-newsletter for non-members. We invite you to become a member of CCPH! Your modest investment allows us to continue to serve as a resource for service-learning, community-based participatory research, and community-campus partnerships more broadly that are working to improve higher education, civic engagement, and the health of communities.

Why join CCPH?

- Be the first to hear about funding opportunities and other important news!
- Receive substantial publication discounts!
- Pursue professional development opportunities at discounted rates!
- Connect with colleagues who share your passion for partnerships and social justice through our online Member Directory, Interest Groups and Listservs!
- Access low cost, high-quality training and technical assistance!
- Influence policy on issues you care about, such as eliminating health disparities, changing faculty promotion and tenure, and increasing funding for community-campus partnerships!
