

**Virginia Commonwealth University
HDSLCL Site Visit
Suzanne Cashman, ScD
Agenda**

Thursday, November 6th

11:30 AM--Suzanne arrives from Boston.

11:40 AM—Suzanne meets with Dr. Kate Lapane, new chair, Department of Epidemiology & Community Health

12:30 - 2 PM: Alumni House Room 217

Suzanne conducts a workshop open to faculty/students across the university. The majority of the first hour will be a presentation on service learning/community-based learning, forming community partnerships, perhaps even some CBPR--afterwards, she will open for discussion, etc., giving guidance on how to engage the community and how faculty can incorporate SL or community-based learning (CBL) into courses. Personal invitations will be sent to various faculty/staff/units across VCU, including schools of Medicine, Nursing, Dentistry, and Pharmacy.

2:30: 4:00 PM: McGuire Hall Annex Conference Room

Meet with HDSLCL team. Discuss our challenges and brainstorm on ways to further engage faculty/students in SL/CBL.

5:30/ 6 PM--end of class:

Leigh House Conference Room Observe Jill Rowe-Adjibogou's SL class, Public Health Issues and Interventions in Communities of Color. Suzanne will have an informal discussion with students about why they chose the course, how their experiences have been, etc.

7:30/8 PM (depending on when course wraps up)--late dinner with Jill Rowe-Adjibogou

Friday, November 7th

9:30/11:00 AM: Leigh House Conference Room

Informal meeting with MPH Program faculty and other health sciences faculty to discuss interests in/knowledge of SL and CBL; explore interests, future planning re: development of MPH program and school.

12:00- 1:00 PM: Leigh House Conference Room

Informal session with graduate public health students to discuss community-based learning and how students can get involved in CBL/SL/CBPR

1:30-2:30 PM: McGuire Hall Annex Conference Room

Meeting with HDSLCL team to wrap up visit

3:00 PM: Suzanne departs for airport
