

**SARENA DIANE SEIFER, M.D.**

**1. CONTACT INFORMATION**

E-mail: [sarena@u.washington.edu](mailto:sarena@u.washington.edu)

**2. EDUCATION**

1980 – 1984	Washington University St. Louis, MO Major: Biology	B.A.
1984 – 1985	Georgetown University Washington, DC Major: Physiology and Biophysics	M.S.
1985 – 1989	Georgetown University Washington, D.C.	M.D.

**3. PROFESSIONAL POSITIONS**

1989 – 1991	Adjunct Instructor, Department of Family and Community Medicine Georgetown University School of Medicine, Washington, DC
1989 – 1991	Legislative Affairs Director and Director, Center for Health Policy Studies American Medical Student Association, Reston, VA
1991 – 1992	Health Policy Analyst, Health and Long Term Care Committee, Washington State Senate, Olympia, WA
1992 – 1993	Director of Recruitment and Retention, Northwest Regional Primary Care Association, Seattle, WA
1993 – 1995	Postdoctoral Fellow, University of California-San Francisco Focus: Health Policy and Health Services Research
1995 – 1999	Acting Assistant Professor, Department of Medical Education, University of Washington School of Medicine, Seattle, WA
1995 – present	Senior Fellow, Center for the Health Professions, University of California-San Francisco
1996 – 2008	Executive Director, Community-Campus Partnerships for Health, Seattle, WA
1998 – 1999	Acting Assistant Professor, Department of Health Services, University of Washington School of Public Health and Community Medicine, Seattle, WA
1999 – 2006	Research Assistant Professor, Department of Health Services, University of Washington School of Public Health and Community Medicine, Seattle, WA

2006 – present            Research Associate Professor, Department of Health Services,  
University of Washington School of Public Health and Community Medicine,  
Seattle, WA

2008 – present            Senior Consultant, Community-Campus Partnerships for Health, Milwaukee, WI

#### **4.        HONORS, AWARDS AND SCHOLARSHIPS**

Dana-American Federation for Aging Research Geriatrics Education Scholarship, 1988

Agency for Health Care Policy and Research Health Services Research Fellowship, University of California-San Francisco, 1993-95

Pew Health Policy Fellowship, University of California-San Francisco, 1994-1995

American Association of Higher Education, Young Leader of the Academy Award, 1998

University of Washington Graduate Mentor Award Nominee, 2003 and 2004

CDC Foundation Public Health Hero Nominee, 2007 (nominated by CCPH board of directors)

Tom Bruce Award for Leadership in Community-Based Public Health, Community-Based Public Health Caucus, American Public Health Association, 2007

#### **5.        PROFESSIONAL ACTIVITIES**

##### Committee and Council Memberships

Statewide Advisory Committee, Washington State Loan Repayment Program, 1992-1993

National Advisory Committee, Bridges to Healthy Communities, Centers for Disease Control and Prevention, American Association of Community Colleges, 1996-present

National Symposium Planning Committee, Primary Care Education for the 21<sup>st</sup> Century: Lessons From National Initiatives, 1997-1998

Planning Committee, A Global Conference on Universities and the Health of the Disadvantaged: Building Coalitions with the Health Professions, Local Governments and Their Communities, WHO and UNESCO, 1997-1999

National Advisory Committee, WK Kellogg Foundation Community Health Scholars Program, 1998-present

Professional Affairs Committee, American Association of Colleges of Pharmacy, 2000-2001

Caucus on Community-Based Public Health, American Public Health Association, 2000-present

National Advisory Committee, National Network of High School Health Career Academies, Health Resources and Services Administration, 2001

Evaluation Advisory Committee, Mt. Sinai Medical School Visiting Doctors Program, 2001-present

Washington Health Workforce Diversity Network, 2002-present

Show Me the Money Committee, Washington Health Workforce Diversity Network, Washington State Board of Health – chair, 2002-2003

Paul Ambrose Symposium on Prevention Education, Association of Teachers of Preventive Medicine, 2002-present

National Advisory Committee, Florida Prevention Research Center, University of South Florida College of Public Health, 2003-present

National Advisory Council, University of California Los Angeles Pacific Public Health Training Center, 2003-present

External Advisory Committee, University of Washington School of Dentistry Pipeline, Profession and Practice Program, 2003-present

Liaison Advisory Committee, Community Guide Branch, Centers for Disease Control and Prevention, 2003-present

National Advisory Committee, Migrant Health Fellowship Program, Migrant Clinicians Network, 2003-present

Strategic Planning Committee, Bureau of Health Professions, Health Resources and Services Administration, 2003-present

Vice President Gore Family Re-Union Planning Institute on Community-University Partnerships, 2004

All-Grantee Meeting Planning Committee, Bureau of Health Professions, Health Resources and Services Administration, 2004-2005

External Advisory Committee, Study of CBPR Best Practices in Canada, Wellesley Central Health Corporation, 2004-2005

Work Group on Health Professions Education, Community Guide Branch, Centers for Disease Control and Prevention, 2004-present

Planning Committee, Northwest Health Foundation's Annual Community-Based Collaborative Research Conference, 2004-2006

National Advisory Committee, Kellogg Health Scholars Program, 2005-present

National Advisory Committee, Carnegie Elective Classification in Community Engagement, Carnegie Foundation for the Advancement of Teaching, 2006-present

External Advisory Committee, Office of Community-Based Research, University of Victoria, 2006-present

Founding Steering Committee Member, Higher Education Network for Community Engagement, 2006-present

Visiting Appointments

Visiting Professor, University of Sydney School of Indigenous Health Studies, Sydney, Australia, October 2003

Visiting Scholar, Engaged Scholar Series, Michigan State University, 2006

Visiting Scholar, Ontario HIV Treatment Network, Toronto, ON, 2007-2008

Community-Based Research Associate, Centre for Urban Health Initiatives, University of Toronto, ON, 2007-2010

Consultancies

American Medical Student Association, 1991-2001

National Health Service Corps, 1993-2006

Blue Cross of California, 1995

California Primary Care Consortium, 1995-1997

National Fund for Medical Education, 1995-2000

WK Kellogg Foundation Interdisciplinary Community Health Fellowship Program, 1999

Colby-Sawyer College Nursing Program, 2000

Hunter College Nursing Program, 2001

University of Pittsburgh School of Public Health, 2000-2001

National Service-Learning Clearinghouse, 2002-present

University of Arkansas at Little Rock, Clinton School of Public Service, 2003-2005

Medical University of South Carolina, 2004-present

Healthier Wisconsin Partnerships Program, 2004 – present

Robert Wood Johnson Clinical Scholars Program, 2004-2006.

Robert Wood Johnson Clinical Scholars Program, Yale University, 2006

Mt. Sinai School of Medicine, 2007-present

University of Rochester Medical Center, 2007-present

State University of New York at Buffalo, 2007-present

Editorial Board Memberships

North American Editorial Board, Journal of Interprofessional Care, 1997-present

Founding Editorial Board, Manifestation: Journal of Community-Engaged Learning and Research Partnerships, 2007-present

Editorships

Journal of Interprofessional Care – lead co-editor, theme issue on community-campus partnerships, 1999: 12(3); lead co-editor, theme issue on community-based participatory research, 2004: 18(4)

Metropolitan Universities – lead co-editor, theme issue on community-campus partnerships for health, 2000: 11(2)

Family and Community Health – co-editor, theme issue on policy and advocacy, 2000: 23(1)

Education for Health – lead co-editor, theme issue on policy and community-campus partnerships, 2000: 13(1)

Journal of Nursing Education – lead co-editor, theme issue on service-learning in nursing education, 2002: 41(10)

Journal of Multicultural Nursing and Health – co-editor, theme issue on health disparities, 2003: 3(9)

Journal of Urban Health – co-editor, theme section on community-based participatory research, 2006: 4.

Journal of Empirical Research on Human Research Ethics – issue co-editor, theme issue on ethical considerations in community-based participatory research, 2008; 3(2), 1-4.

Metropolitan Universities – co-editor, theme issue on community-engaged scholarship, forthcoming 2008

Handbook on Engagement – co-editor, 2 volume book series published by Michigan State University Press, forthcoming 2009 and 2010

#### **8. FUNDING HISTORY**

##### **(a) Funded Projects**

Access to Care and Physician Supply/Distribution issues in Urban Underserved Areas (K. Grumbach, PI). Bureau of Health Professions, US Public Health Service, \$8,500, 1994-1995. My role: co-investigator. Research Support for a National Conference on Physician Supply (E. O’Neil, PI). Bureau of Health Professions, US Public Health Service, \$30,000, 1994-1995. My role: conference coordinator.

Managed care organizations and physician retraining (Seifer, PI). Bureau of Health Professions, US Public Health Service. \$30,000, 1994-1995.

Specialist physician interest in retraining in primary care (Seifer, PI). Blue Cross of California, \$80,000, 1994-1995.

The relationship between location of residency training and location of physician practice location (K. Grumbach, PI). Office of the Assistant Secretary of Health, US Public Health Service, \$30,000, 1994-1995. My role: co-investigator.

Health Professions Schools in Service to the Nation Program (Seifer, PI). The Pew Charitable Trusts, \$1,400,000, and Corporation for National Service, \$700,000, 1995-1998.

Community-Campus Partnerships for Health (Seifer, PI). University of California-San Francisco, \$1 million, 1995-2004. University of Washington, \$2 million, 2003-2008.

CCPH-AHEC Faculty Development Exchange (Seifer, PI). Health Resources and Services Administration, \$2500, 1998.

Community-Campus Partnerships for Health 1998 National Conference (Seifer, PI). Health Resources and Services Administration, \$20,000, the University of Pittsburgh Medical Center, \$10,000 and the Jewish Healthcare Foundation of Pittsburgh, \$2500, 1998.

Building Capacity for Service-Learning in Health Professions Education (Seifer, PI). Corporation for National Service, \$500,000, 1997-2000.

The Community Involvement of Academic Health Centers (Seifer, PI). Corporation for National Service, \$80,000, 1997-2000.

Partners in Caring and Community: Service-Learning in Nursing Education (Seifer, PI). Helene Fuld Health Trust. \$250,000, 1998-2003.

A Policy Agenda for Health in the 21<sup>st</sup> Century: Conference Grant (Seifer, PI). WK Kellogg Foundation, \$60,000, 2000.

National Health Service Corps Educational Partnership Agreement Contract (Seifer, PI). National Health Service Corps Scholarship Program, \$99,900, 2000-2001.

HEALTH For All in 2010. (Seifer, PI). Corporation for National and Community Service, \$1.2 million, 2000-2003.

Prevention Research Center Supplemental Award for Community-Based Participatory Research Symposia (LoGerfo, PI). Centers for Disease Control and Prevention, \$20,000, 2001-2002. My role: symposia director.

Urban Health Initiative Evaluation (Seifer, PI). Samuels Foundation, \$98,000, 2001-2002.

Senior Program Advisor for Service-Learning in Higher Education (Seifer, PI). National Service-Learning Clearinghouse, \$80,000 2001-present.

California Public Health Preparedness Corps Planning Grant (Seifer, PI). California Governor's Office of Service and Volunteerism, \$25,000, 2002.

Mapping Service-Learning Across the Health Professions (Seifer, PI). Campus Compact, \$5000, 2002.

Community-Based Participatory Research Partnerships: Infrastructure Requirements (Seifer, PI). NIH Office of Behavioral and Social Sciences Research, \$10,000, 2002.

Preparing the Future Health Care Workforce: The Community Voices Service-Learning Program (Seifer, PI). WK Kellogg Foundation, \$100,000, 2002-2003.

Examining Community Partnerships for Prevention Research (Seifer, PI). Association of Schools of Public Health/Centers for Disease Control and Prevention, \$290,000, 2002-2005.

Support for Healthy People 2010 Curriculum Guide (Seifer, PI). Pfizer Public Health, \$30,000, 2003.

Realizing the Promise of Community-Based Participatory Research: Assessing, Documenting and Rewarding Community Scholarship in Public Health (Seifer, PI). WK Kellogg Foundation, \$190,000, 2003-2004.

Training and Technical Assistance for the Community-Based Dental Partnerships Program (Seifer, PI). HIV/AIDS Bureau, Health Resources and Services Administration, \$110,000, 2003-2008.

Health Institutions as Anchors in Communities: Profiles of Engaged Institutions (Seifer, PI). Annie E. Casey Foundation, \$60,000, 2003-2005.

Directory of Funding Resources for Community-Based Participatory Research (Seifer, PI). Northwest Health Foundation, \$6,000, 2004.

Community-Based Participatory Research Training and Technical Assistance (Seifer, PI). Robert Wood Johnson Foundation Clinical Scholars Program, \$20,000, 2004-2005.

Peer Review of Community-Academic Partnership Proposals (Seifer, PI). Healthier Wisconsin Partnership Program, \$60,000, 2004-2006.

Racial and Ethnic Health Disparities: Schools and Graduate Programs of Public Health Respond as Engaged Institutions (Seifer, PI). WK Kellogg Foundation, \$190,000, 2005-2007.

The Community-Based Scholarship for Health Collaborative (Seifer, PI). Fund for the Improvement of Postsecondary Education, US Department of Education, \$550,000, 2004-2007.

Peer Review of Community Partnership Proposals (Seifer, PI). Education Network for Advancing Clinical Trials, \$30,000, 2005-2006.

Community-Campus Partnerships for Health 2006 Conference Support (Seifer, PI). WK Kellogg Foundation, \$40,000, 2006-2007.

Community-Campus Partnerships for Health 2006 Conference Support (Seifer, PI). Otto Bremer Foundation, \$25,000, 2006.

Community-Campus Partnerships for Health 2006 Conference Support (Seifer, PI). Northwest Health Foundation, \$5,000, 2006.

Health Disparities Service-Learning Collaborative (Seifer, PI). Corporation for National and Community Service, \$1.5 million, 2006-2009.

Communities as Partners in Cancer Clinical Trials: Changing Research, Practice and Policy (Seifer, PI). Agency for Healthcare Quality and Research, with co-funding from National Cancer Institute, \$270,000 and Genentech, \$30,000, 2006-2009

Community-Campus Partnerships for Health 2007 Conference Support (Seifer, PI). Canadian Institutes of Health Research, \$50,000; Canadian Population Health Initiative, \$10,000; Canadian Health Services Research Foundation, \$10,000; Government of Canada, \$3000; other cosponsors.

Faculty for the Engaged Campus (Seifer, PI). Fund for the Improvement of Postsecondary Education, US Department of Education, \$600,000. 2007-2010.

Academic-Community Partnerships for Women's Health National Evaluation. (Seifer, PI). Johnson & Johnson, \$87,000. 2007-2009.

Understanding Community-Based Processes for Research Ethics Review (Seifer, PI). Greenwall Foundation, \$130,000. 2008

## **9. PUBLIC HEALTH PRACTICE ACTIVITIES**

### Training and technical assistance activities

Introductory Service-Learning Institute, Community-Campus Partnerships for Health (4 day summer institute). Course director (8 mentors and 20-25 faculty participants annually), 1997, 1998, 1999, 2000, 2001, 2002, 2003, 2005, 2006.

Faculty and Staff Development Workshop on Service-Learning in Health Professions Education: Implications for Rural America, West Virginia University, workshop developer and facilitator, 1997.

Faculty Development Workshop on Service-Learning in Medical Education: Creating High Quality Learning Experiences in Community Settings, University of Washington School of Medicine, workshop developer and facilitator, 1998.

Faculty Development Workshop on Service-Learning in Medical Education, University of Massachusetts Medical School, workshop developer and facilitator, 1998.

Faculty and Staff Development Workshop on Service-Learning in Health Professions Education: Lessons Learned from a National Demonstration Project Center on Human Development and Disability, University of Washington, workshop developer and facilitator, 1999.

Faculty Development Workshop on Service-Learning in Health Professions Education: Creating High Quality Learning Experiences in Community Settings, University of Washington School of Medicine, workshop developer and facilitator, 1999.

Advanced Service-Learning Institute, Community-Campus Partnerships for Health (4 day winter institute). Course director (8 mentors and 20-25 faculty participants annually), 2001, 2002, 2003, 2004.

Faculty Development Workshop on Service-Learning in Public Health Education, University of Pittsburgh School of Public Health, workshop developer and facilitator, 2001.

Faculty Development Workshop on Service-Learning in Dental Education, American Dental Education Association, workshop developer and facilitator, 2001.

Faculty Development Workshop, Service-Learning in Public Health Education, Association of Schools of Public Health Practice Coordinators' Council, workshop developer and facilitator, 2001.

Faculty Development Workshop on Service-Learning in Pharmacy Education, American Association of Colleges of Pharmacy, workshop developer and facilitator, 2001.

Service-Learning Partnerships in Public Health Faculty Development Workshop, University of Michigan School of Public Health & Kellogg Community Health Scholars Program, workshop developer and facilitator, 2001.

Service-Learning in Medical Education Faculty Development Conference, Community-Campus Partnerships for Health and Minnesota Campus Compact, course director, 2002.

Faculty Development Workshop, National Conference on Integrating Community Engagement into Graduate Nursing Education Through Service-Learning, Case Western University School of Nursing, workshop developer and facilitator, 2002.

Continuing Education Institute on Advancing the Healthy People 2010 Objectives Through Community-Based Education, American Public Health Association annual conference, course director and instructor, 2002.

A Toolkit for Community-Engaged Scholarship, Kellogg Community Health Scholars Program, workshop developer and facilitator, 2005.

Faculty Development Workshop on Community-Campus Partnerships, Medical University of South Carolina, workshop developer and facilitator, April 2004 and April 2005.

Becoming an Engaged Campus: A Strategic Approach to Community-Campus Partnerships, Workshop at the National Area Health Education Center Conference, 2005.

Community-Based Participatory Research Training Institute for Partnership Teams, Community-Campus Partnerships for Health (4 day summer institute). Course director (8 mentors and 24 participants), 2005.

Continuing Education Institute on Community-Based Participatory Research Partnerships, American Public Health Association annual conference, course director and instructor, 2005, 2006, 2007.

#### Mentoring activities

Dave Village, assistant professor of pharmacy, Andrews University, service-learning mentor, April-June 2002.

William Cody, professor of nursing, University of North Carolina at Charlotte, mentor for the Robert Wood Johnson Foundation Executive Nurse Leadership Program, 2003-2005.
