

## Community-Campus Partnerships for Health

### New CCPH Publications!

#### Toolkit

The *Toolkit For Health Professional Faculty, Students and Community Leaders Committed to Achieving the Nation's Health Objectives Through Community-Campus Partnerships* is designed to provide leaders who are involved in the community-campus partnerships with the knowledge and resources to support activities that are directly tied to the fulfillment of the Healthy People 2010 Objectives. It contains a Healthy People 2010 Assessment Tool to better understand your strengths and areas of improvement, Declaration and Commitment Forms to formally announce your personal and/or organizational pledges, and a Resource Listing of key publications, web sites and organizations.

#### Curriculum Planning Guide

*Advancing the Healthy People 2010 Objectives Through Community-Based Education: A Curriculum Planning Guide* is an essential resource for teaching health promotion and disease prevention at all levels of health professional education. The 250-page guide centers around eight planning units that are supported by background readings, case studies, worksheets, handouts, resources and reflection questions. Examples from service-learning, problem-based learning and community-oriented primary care are provided throughout.

*CCPH Members: \$45, including shipping and handling.  
Nonmembers: \$60, including shipping and handling.
