

MADISON CLINIC PRESENTS

Diagnosis: AIDS

WORLD AIDS DAY 2011

A TIME CAPSULE TO THE EARLY 80's

Join patients, faculty and staff as we commemorate Seattle's local response to over 30 years of the HIV/AIDS epidemic.

Visual displays of memorabilia and artifacts from the "early days," will be on display, including a viewing of the 1983 documentary *Diagnosis: AIDS* and a subsequent panel discussion.
