Parking Information for Patients of the CHDD Specialty Care Clinics

Welcome to the specialty care clinics at the CHDD
Clinical services at the CHDD serve individuals with or at risk for developmental, learning and behavioral problems and their families.
Our Clinics also serve adults with a variety of neurodegenerative disorders, genetic diseases and related disabilities.
S1 Parking
The closest parking to the CHDD is S1 Parking, located behind the UWMC, west of the CHDD clinic building. S1 Parking has a height restriction of 7’ 5”. Over-sized parking is available in the Husky Stadium parking lot. Access the lot from 15th Ave NE. At the stop sign, proceed left onto Boat St and continue to the parking booths (Gatehouse #6). Even if the LOT FULL sign is out, proceed to the booth and ask for CHDD patient parking. You must pre-pay to park in S1.

The CHDD is at the far end of S1 Parking. Park as far east in S1 Parking as you can to minimize walking time/distance.

Disability Parking
All CHDD patients and families with mobility parking needs can request a UW disability permit at the gatehouse. No State Disability Placard is necessary. You must still pay for parking in S1 even if you have a State Disability Placard.

Alternate Parking Locations
Pay-as-you-leave parking is also available at the Triangle Garage (across NE Pacific St from the main UWMC entrance), the Surgery Pavilion Garage and Valet parking (at the front of UWMC). Hourly rates are the same for alternate lots.
