

Microteaching Presentation Worksheet

After you watch the videotape, please comment on what worked well for you in the presentation, indicating things that you liked and you would do again. After that, please identify what you would like to change or do differently in future presentations.

While you watch the tape of your presentation, here are a few things you can consider:

- *Content:* Amount of explanation and detail, good use of supporting materials when needed
- *Organization:* Clear and easy to follow
- *Speaking Style:* Appropriate rate of speech, volume level, clarity
- *Presentation Style:* Appropriate gestures, movement, eye contact
- *Interaction:* Quality of responses to questions or other interruptions

Notes on Your Microteaching Presentation

Part 1	Part 2
<p>Take notes while you watch your presentation.</p> <ul style="list-style-type: none">• What worked well for you in this presentation? • What would you change or do differently next time? How would you do this?	<p>Record the group's comments on your presentation.</p> <ul style="list-style-type: none">• What worked well for you in this presentation? • What would you change or do differently next time? How would you do this?
