covenants, limitations, restrictions and conditions hereinbefore expressed.

There is excepted from the warranties hereof any and all taxes and assessments becoming payable after the first day of January, 1926, and any and all liabilities, liens and incumbrances created, permitted or imposed by the grantee or his predecessors in interest (other than the grantor) in the premises hereby conveyed, or by any person claiming by, through or under said grantee, or his predecessors in interest (other than the grantor) therein.

The said property is hereby conveyed subject to the provisions of the by-laws of the Broadmoor Maintenance Commission, a Washington corporation organized for the purpose, among others, of taking title to and maintaining and improving certain properties constituting easements of access (including parking strips) and certain areas constituting lodge entrance site and certain park areas in said residential district in which the premises hereby conveyed are situated, and the rights to be conveyed by the party of the first part in installations for the maintenance of water and sewerage service, as well as title to certain rights of way and of easement for the maintenance of such service and of gas, electric and telephone service, including a perpetual right of way and of easement, which is hereby reserved across and over or beneath the surface of the tract hereby conveyed, along the rear and side lines thereof (the rear and side lines being always deemed those not adjacent to any easement of access other than a pedestrian easement of access) for the construction and maintenance of electric and telephone lines, and subject to the conveyance thereof to said corporation; and there has been issued to the party of the second part one share of stock in said corporation which share shall be inseparably appurtenant to the tract hereby conveyed, and said tract and each portion thereof shall be subject to the lien of such assessments, and the owner thereof liable therefor, as shall be levied from time to time by said Maintenance Commission under and in accordance with its by-laws and any amendments thereof, which assessments shall be superior to any and all other liens created or permitted by the party of the second part, his heirs, personal representatives or assigns; and the said party of the second part, for himself, his heirs, personal representatives and assigns, by the acceptance of this deed, binds himself and his heirs, personal representatives and assigns to all of the provisions, restrictions, conditions and regulations now or hereafter imposed by the by-laws of said Broadmoor Maintenance Commission, and any amendments thereof, all of which shall constitute covenants running with the land.

The said Maintenance Commission shall have the right and power to enforce any and all of the conditions, limitations and restrictions contained in this deed, but such right shall be without prejudice to the right of the grantor or any owner of property in said residential district to enforce the same.

The party of the first part agrees not to sell or convey any of the residential tracts shown in said survey of said residential district otherwise than subject to the restrictions and provisions set forth herein, and it is a part of the consideration of this deed that such restrictions and provisions shall be made with respect to all of the tracts shown in such survey as covenants running with the land.

In witness whereof, the said party of the first part has caused its corporate name to be hereto subscribed by its President and Secretary and its corporate seal to be hereto affixed the day and year first above written.
