KING COUNTY, Washington.

Do hereby establish building improvement and occupancy limitations and
restrictions governing the use, improvement, possession and occupancy
of said property, and hereby limit the improvement, possession and occupancy
of said tract and each and every part thereof to said limitations.
and restrictions.

1. No residence shall be built upon any lot or tract which is more than one story in height, and contains less than thirteen hundred fifty (1350) square feet of floor space for living quarters, such area to be exclusive of garage or basement space. It is further agreed that no residence or garage shall be built or constructed upon said property, the building of which is not, as to the outside surface thereof, completed with windows, doors, and fully painted, if painting is required, in the construction of said residence, within a period of six months from the time that such residence construction is commenced, if labor and materials are available, and that a breach of the above conditions will authorize the seller to refuse to furnish title to said property, and in such case, such failure to complete within said time shall be regarded as a breach of conditions under which said property was purchased, and if title has passed, the seller may exercise any other remedies which it may have to force a change in the conditions of said residence or garage property.

No building or structure shall be built within a distance of twenty-five (25) feet from the street line, or within a distance of ten (10) feet from adjoining property line.

No chickens or livestock shall be permitted to be kept or maintained by the owners or occupier or said property, or any part thereof, except that any owner or occupier may have and keep not to exceed two pets.

No property covered by this declaration shall be sold, transferred, assigned, leased, rented or occupied by any person not of the Caucasian race, provided however that any owner or occupier may keep upon said property not to exceed two servants who are not of the Caucasian race.

No property in said area shall be used for any business of any kind or nature, and the use of said property, and all of it, is expressly restricted to residential uses. No obnoxious activities or pursuits of any kind shall be carried on or permitted upon said property.

2. Said property as to the limitations of this declaration shall be divided into Class #1 and Class #2 property, and as each sale is made the contract agreement or deed covering said property shall designate
the class or classes controlling said tract of land.

(a) In the sale or disposition of any property designated as Class #1, no sale, exchange or disposition of any lot, tract or tracts having a frontage less than 100 feet in width shall be made, and no subdivision of said property shall be made so that any tract or partial thereof has a frontage of less than 100 feet; and in said class of property, no residence shall be established on any tract or lot less than 100 feet in width, and no more than one residence shall be established upon any larger tract unless said tract shall have a width of at least 100 feet for each residence so constructed.

(b) In the sale or disposition of any property designated as Class #2, no sale, exchange or disposition of any lot, tract or tracts having a frontage less than 75 feet in width shall be made, and no subdivision of said property shall be made so that any tract or partial thereof has a frontage of less than 75 feet; and in said class of property, no residence shall be established on any tract or lot less than 75 feet in width, and no more than one residence shall be established upon any larger tract unless said tract shall have a width of at least 75 feet for each residence so constructed.

IN WITNESS WHEREOF the parties hereto have set their hand and seal this 21st day of September, 1946.
