The Owner intends to make sales of the real property included in this plat and desires that all such sales shall be made subject to certain protective covenants, conditions and restrictions, the purpose of which is to assure the use of the property for attractive residential purposes, to prevent nuisances, to maintain the desired tone of the community, and thereby to secure to
each property owner the full benefit and enjoyment of his home with no greater restriction upon the free and undisturbed use of his property than is necessary to insure these same advantages to other owners.

NOW, THEREFORE, the Owner certifies and declares that it has established and hereby does establish a general plan for the development, improvement and protection of all the real property included in the plat of Spring Lake. This plan is based upon the protective covenants, conditions and restrictions hereinafter set forth which are for the benefit of the real property in the plat and subject to which all tracts of land in the plat shall be held and sold by the Owner and its successors in interest, with the exception of tracts 21, 22, and 49 A which are hereby designated retail business tracts. These business tracts are subject to appropriate zoning laws and are specifically exempt from subparagraph (a) of the covenants, conditions and restrictions listed below. All purchasers from Owner or its successors in interest and all successors in interest of such purchasers of every tract of land in the plat shall take title subject to and be bound by each of these restrictions which are imposed on each tract of land in the plat as a servitude in favor of every other tract of land in the plat as the dominant tenement.

The covenants, conditions and restrictions are as follows:

(a) The property shall be used for residential purposes only. The exteriors of all buildings must be completed within one year from the commencement of construction. Trailers, tents or temporary buildings are not permitted on the property without the written consent of Owner.

(b) The property shall not be conveyed, sold, rented or otherwise disposed of, in whole or in part, to, or be occupied by, any person not of the white or Caucasian race except in the case of a servant actually employed by the lawful owner or occupant.

(c) Owner reserves the right to control the depth
of Spring Lake, as shown on the plat, by raising or lowering the water level whenever Owner deems it advisable. Owner shall not be liable for any change in the depth. As of the time when all the tracts are sold and paid for, including those within Tracts A and B as shown by the plat, Owner relinquishes this right without warranty to the owners of property bordering on the lake.

(d) Except when necessary to the construction of a dwelling or when a tree is in a dangerous condition, no evergreen tree in excess of twenty feet in height shall be felled without written consent of Owner.

Owner has deeded tracts 154 and 155 to the STATE OF WASHINGTON DEPARTMENT OF GAME for public recreational and fishing purposes only. Owner will convey an undivided 1/200 interest in tracts 67 and 68 to each purchaser of upland property in Spring Lake for use for recreational purposes only.

These covenants, conditions and restrictions shall run with the land for a period of twenty years and thereafter until changed by agreement in proper form between the owners of not less than seventy-five percent of the tracts, including tracts A and B. Upon any substantial or continuing breach of the foregoing, title to the property shall revert to the Owner, its successors or assigns.

IN WITNESS WHEREOF, SPRING DEVELOPMENT CO., INC., has executed the foregoing declaration by its duly authorized officers this 28th day of April, 1949.
