

To Whom This may Concern:

Dear Sir:

My conscience  
impels me to be candid.  
Although people of different  
faiths are not related  
consanguinity, "We are all  
brothers in the eyes of  
God."

Although I am a Non-  
Jew I must write you the  
truth about Mr. Melville  
Mc Innis, president of the  
"Laurelhurst Beach Club"

My husband went to all  
the meetings with members  
(non-Jews) & he related  
that Mr. Mc Innis is an  
Anti-Semite of the most

insidious nature, a man  
like "Pelley" remember him?  
Also that Mr. Mc Innis  
still doesn't want Jews in  
the Beach Club; but pretended  
to subside so as to avert  
court-action. He is ~~an~~ a  
dangerous man & all or most  
of us didn't think conditions  
of this nature <sup>or his</sup> could exist  
in America.

Please have him investigated  
as we all think he will do all  
in his power to keep people of  
the Jewish faith out of the  
Beach Club. It should be  
made known to everyone his  
intentions & the things he plans  
to do.

The Board members seem to  
fear him for some reason &  
try to be in accordance on all  
his views.

This is the Gospel truth &  
I feel you should know as  
there is a saying in the Bible  
"Know thy enemies!" Please  
take heed & may God bless  
you & help you!

I wish with all my heart  
I could sign my name,  
but if Mr Mc Innis ever  
discovered that I wrote this  
letter; he would expel me from  
the Beach Club.

In all good faith,

A Non-Jew
