ELEMENTS OF THE FACIST PIGS

The home of Mr. and Mrs. Bible at 706-34th avenue was invaded by the facist pig department on Monday, September 15 without cause or provocation. The pigs said they had recieved a report that some young kids were breaking into a house, upon recieving the call the simple-minded pigs attacked the Bible home, breaking the door down with drawn guns in hand. When they were asked by Mrs. Bible not tobodily break down the door, the lowly, so-called servants of the people oinked they would blow the motherfucking door down.

After successfully destroying the door, the beast entered and proceeded to beat the mother, Mrs. Bible with their clubs. Then they moved over to the living room sofa where Norma Jean Bible was laying down sick, and dragged the sister by her neck, pulling her out of the house. Norma Jean was then arrested for suspicion of burglary.

The pleading of the mother for the safety of her family and home was ignored by the facist pigs, as were the Bible familys' basic rights as human beings. This incident is small compared to the atrocities committed daily to Black people in particular and all oppressed people, regardless of race or origin. But it serves to point up clearly the blanket power the society has given to its facist pigs and the complete lack of respect and justice that is held for the Black, the oppressed, and the powerless of America. But we do have power. We must realize that. Power lies in the unity of all oppressed people. We must recognized facism for what it is, for it is quite clear that facism is manifested in the avaricious businessman, the demogogic, lying politician and the racist

pig cop that now control our community. Now is the time to make
"All Power to the People" a reality. Black people must seize the
time, for the time is now.

an immediate end to police brut-
ality and murder of black people.

On Monday, September 7th at 4:00 p.m., two members of the Black Community were brutally attacked by the gestapo storm toopers of the Pig Power Structure. The brother and his wife who were involved do not wish to reveal their names at this time because of legal matters. This is the story which was given to the Ministry of Information:

On Monday, Sept. 7, I took my wife to the doctor. While we were there my wife discovered that we had a busted water pipe on the car. So I took the car to Frank Hawkins Buick to be fixed and they gave me another car to use while our car was being fixed. My wife discovered the pigs checking out the car that was loaned to us by Frank Hawkins Buick. I didn't pay too much attention to it at the time. My wife needed some medicine because she was quite sick so I went to go to the druggist. Before I could reach the car, 10 Pig cars had vamped on the scene and immediately grabbed me. One of the Pigs remarked, "You're lucky I didn't have my shot gun, we usually kill people we suspect committed a burglary".

At this point more pigs came and vamped on my wife, dumping the contents of her purse out on the ground. The pigs still didn't say what I was charged with.

By this time people had gathered around, asking the pigs to either use the phone in the house or the car radio to call Frank Hawkins Buick to see if the car had actually been stolen. The pigs, fearful of the crowd, hand-cuffed me so tight that I lost circulation in both arms.

My wife had four pigs surrounding her. Fearful of the pigs, she walked towards the house. A fellow pig grabbed for his gun and said, "Hold It", and insisted that my wife was involved and therefore she was also arrested, leaving my 3 young children out on the sidewalk crying.

When my wife and I got down to the station, we were placed in a little booth. Pigs strolled by watching us like animals in the zoo. We were finally released after hours of waiting.

This is another example that must not go unnoticed. This, the Bible incident and countless others are clear evidence of the justice we receive in this society,...none. What more do we need to convince you that the Pig Power Structure is not only using genocide against the Black Panther Party, but also against the members of the Black community.

ALL POWER TO THE PEOPLE

TO WHOM IT MAY CONCERN

What will it take to wake the masses of oppressed people (black in particular) in Seattle? Another Welton Armstead? Sidney Miller? Another near shooting death (remember Ricky Hardy)?

The recent attack by the "law and order" fascist pigs on a black family in which their home was invaded by about 10-15 of these stormtroopers is another incident. All are an indication of the acceleration of the rampant facism here in Seattle.

Facism is the main weapon the oppressor uses to keep the people in virtual slavery. It was the forces of facism that kidnapped Chairman Bobby Seale off the streets of Berkeley, imprisoning the Chairman after a \$25,000 ransom bond was paid. It was the forces of the fascist Oakland pig department who shot, beat, and incarcerated our Minister of Defense, Huey P. Newton; who drove our Minister of Information, Eldridge Cleaver underground; who railroaded three of Seattle's most courageous brothers off the streets, Lewis Jackson, Willy Brazier, and Buddy Yates; and it is these same forces of facism who plotted a mad genocidal attack on the National Black Panther Party Headquarters office. So in short, the quicker Nixon gets rid of the Panther Party, the quicker he can get rid of the niggers.

Let's back up a bit. Facism is the lying demagogic politician like Daniel Devil Evans, Fleaglehead Floyd Miller to name two. They are not worth the paper to talk about. Also the greedy avaricious businessmen who rob and pimp the community of hundreds of thousands of dollars weekly. Safeway alone rakes in \$75,000 to \$100,000 per week. People who talk about 14th avenue being the who stroll should check out 23rd avenue. The third aspect of facism is the police force, dedicated to the suppression and murder of black and oppressed people. These are the military arm or rather the henchmen for

the politicians and businessmen, to keep the "niggers in their place". That's what law and order means for the black community. And when you hear politicians cink about law and order (whether it's A. Ludface Kramer or Sam Smith) this is what they are talking about. They are talking about further suppression and murder of black people here in Seattle.

It is time for people to call a spade a spade and a pig a pig. Color has nothing to do with it. Malcolm X once said, "We had the best organization in the western hemisphere, and niggers ruined it".

What else is there to talk about? All of the previous remarks have been said at countless rallies, community meetings and on street corners. The purpose of the Panther Party is to teach the masses the strategic means to resist the power structure. This has been and will continue to be done through education and persuasion. Education through our press releases, newspapers (which many of you don't even buy) and community meetings. Persuasion in the form of meetings, discussions, and in the case of many brothers and sisters, the actual experience of being shot, beaten and/or framed.

Now that the struggle has gone to a higher level, it is up to black and oppressed people to determine their will as to their survival...to unify around specific issues which are vital to the community. In other words it is up to the people to make "Power to the People" a reality, and as long as this city, this state, this government remains in the hands of the pigs, there will be a Black Panther Party.

MINISTRY OF INFORMATION

Right now, the black colony of fascist ass Seattle, Washington is in the midst of one of the largest poverty crap games in the country. While all of this money, all of these thousands of dollars (which is supposed to benefit the people) is being fought over by nigger capitalist fronts, such as S.O.I.C., C.E.P., C.A.M.P., and other various government controllers. These money crazy fronts, in their rhetorical arguments (which are usually over money, boss shorts, rags, bad pads, and other materialistic feses), they manage to somehow pass greedily over the most vital resource our people possess... ..THE YOUTH. It is by example that our youth pick up the ideas of pessimism, inertia, complacency and all other negative attitudes. It is from the same youth that the fervor of the revolution springs. The youth, in fact, make the revolution.

In developing this essential resource from which the core of the revolution will come, the youth must be kept healthy in both mind and body. We see our children in the schools going to sleep at their desks, their minds not on their not on their studies. Meanwhile, Richard Muface Nixon endorses poverty programmed nigger nitwits with the peoples' money so they can launch some new scheme to deepen the pit that this administration has dug around the people. In the case of Seattle, the new scheme comes in the form of day care centers, schools for unwed mothers, and of course, poverty job centers that employ renegade Black Panthers and other opportunist. This is appalling. Since when did these pigs in the power structure care about wed or unwed mothers, not to mention their children. So this is all a trick, a con game, part and parcel to a giant crap game that is being run down on the oppressed people of colonized Afro-america. The purpose is to keep the people "suffering peaceable".

THE PIGS STILL HAVEN'T SAID A DAMN THING ABOUT FEEDING CHILDREN HOT, NURISHING BREAKFAST EVERY MORNING BEFORE SCHOOL: GRITS, EGGS, TOAST, SAUSAGE, AND MILK EVERY MORNING FIVE DAYS A WEEK. The Black Panther Party, with the people, is going forth to serve the needs of the people by implementing programs which do this. (BASICALLY, CLOTHING, FOOD, AND SHELTER).

This is why we are now reinstituting the Free Breakfast Program for children in which we have secured one location and have three others in the coming. The one already operating is at the Atlantic Street Center. The other locations are Madrona Presbyterian Church, Lutheran Church and Grace Methodist. We are calling upon the people for donations of either money, food, cooking utensils, or time in preparing the food and further planning of the program so that our children will have nurished and healthy bodies.

Send all donations:
