

The Marine Mammal Care Center at Fort MacArthur (MMCC/FM), a hospital for sick and injured seals and sea lions, is seeking a Marketing and Development manager with a strong background in fundraising, outreach and non-profit management. A degree in marketing or business management is required, as well as four years experience working in non-profit fundraising.

The ideal candidate will be adept at working with and balancing the needs of several affiliated organizations. Applicants should be able to demonstrate knowledge of tax and nonprofit requirements, have the ability to maintain copious donation records and possess a track record of moving smaller organizations toward large-scale capital growth. This position may require travel throughout the Southern California area for networking and outreach duties. Individuals local to the San Pedro/Southern California area (or willing to relocate) are preferred.

We are an equal employment opportunity employer and participate in E-Verify. All qualified applicants will receive consideration for employment and will not be discriminated against on the basis of gender, race/ethnicity, protected veteran status, disability, or other protected group status.
