

The Department of Geography at Nipissing University invites applications for a 10-month limited term position (LTA 1) at the rank of Assistant Professor beginning August 1, 2014.

Nipissing University offers a very competitive salary and benefits. The Department of Geography is establishing a strong reputation in research with several members holding externally funded grants. For information about our Department please see <http://www.nipissingu.ca/geography/>.

Applicants are expected to have a PhD in Geography; however ABD candidates will be considered as well. The successful candidate will be expected to teach Introduction to Physical Geography 1017 (both terms), Climatology 2107 and three courses from the following list of undergraduate courses:

Field Techniques in Geography 3016

Selected Regions of North America 3407

Earth Resources 3436

Selected Topics 3906

Lake and Wetland Environments 4127

Applied Climatology 4136

Paleoclimatology & Climate Change 4137

Topics in Physical Geography 4906

Review of applications will begin May 1st, 2014 and will continue until the position is filled. Interested individuals should submit a curriculum vitae; statements of career goals, research interests, and approach to teaching; identification from the courses listed above which courses you feel confident in teaching; and, arrange to have three letters of recommendation sent to:

Dr. Ann-Barbara Graff
Interim Dean of Arts and Science
