

**U.S. FOREST SERVICE
SIERRA NATIONAL FOREST
BASS LAKE RANGER
DISTRICT
NORTH FORK, CALIFORNIA**

***** OUTREACH NOTICE *****

The Sierra National Forest, Bass Lake Ranger District, is planning to fill the following permanent full-time position:

**District Timber Management Officer
GS-460-09/11
Annual salary: \$57,982 to \$75,376
North Fork, CA**

Job Duties: Serves as the District Timber Management Staff Officer, reporting to the District Ranger. Oversees the timber sale preparation program, including sale layout, marking, cruising appraisal and contract preparation. Oversees the timber sale administration program. Reviews and/or writes EA/EIS reports for considering all alternatives in the timber sale design. Reviews silviculture prescriptions to ensure that plans, treatments, and harvesting techniques are compatible with long-range timber management plan. Coordinates with other principal resource assistant to ensure integration of the timber management plan with other resources and activities.

This notification is being circulated to inform prospective applicants of the potential employment opportunity and to determine interest. **If interested, please complete the Outreach Response Form and return it via email to *Dave Martin* (dmartin05@fs.fed.us) no later than 4:00 pm on or before July 1, 2014,** and we will notify you when the vacancy becomes available.

Community and surrounding areas: The Sierra National Forest lies in Central California, on the western slope of the Sierra Nevada mountain range. This 1.3 million acre National Forest is bounded on the south by the Sequoia-Kings Canyon National Park and on the north by Yosemite National Park. The Supervisor's Office is located in Clovis, California, adjacent to Fresno, CA.

The Bass Lake Ranger District headquarters is in the town of **North Fork**, geographic center of California. The District encompasses the north ½ of the Sierra National Forest and is bounded to the south by the San Joaquin River and to the north by the Merced River and Yosemite National Park. It is situated in the Sierra Nevada foothills at the 2,600 foot elevation. North Fork has a population of around 3,700 people and has a

grocery store, two gas stations, three hardware stores, several churches and restaurants, as well as a variety of other businesses. A former mill town whose people depended for decades upon the timber industry, the community is currently redeveloping the old mill site for the benefit of the local economy. The town of North Fork has become a national role model for its work with the Forest Service in rural development.

The town of North Fork has one elementary school, grades K-8. There is a new high-tech high school in O'Neals and a high school in Oakhurst. Oakhurst and surrounding communities have additional elementary schools.

The surrounding area offers endless opportunities for recreation, including camping, fishing, sailing, waterskiing, whitewater rafting and kayaking, off highway vehicle routes, skiing, hiking, backpacking, hunting and horseback riding. Bass Lake Recreation Area is six miles away and offers excellent fishing and boating opportunities. Yosemite National Park's south entrance is about 40 minutes away. The Sierra Vista Scenic Byway extends east from North Fork along the dramatic San Joaquin River. The Bass Lake Ranger District encompasses a portion of the Ansel Adams Wilderness which is just east of Yosemite National Park.

Affordable housing is available in North Fork, as well as nearby towns such as Oakhurst, Coarsegold, Ahwahnee, Bass Lake and O'Neals. Rentals range from around \$700 to over \$1,200 depending on the location. There are mobile home parks and apartment complexes located in Oakhurst, and single family homes in other areas. The average home prices in the local area range from \$150,000 to \$250,000.

The nearest large city is Fresno, about 45 minutes away. With a population of over 500,000, it offers a wide variety of services and major shopping opportunities.
