

PLUMAS NATIONAL FOREST

OUTREACH NOTICE

**PLUMAS NATIONAL FOREST
Beckwourth Ranger District
Duty Station - Blairsden, CA**

The Plumas National Forest, Beckwourth Ranger District has the following vacancy currently open:

Assistant District Archaeologist, GS-0193-07/09 – TERM position

The Beckwourth Ranger District will be filling a non-supervisory TERM position that could last for anywhere between two to four years.

The USA jobs announcement number is -

Vacancy Announcement Number: 14-0511B-48384D-JS

Applications can be submitted on USA jobs

Tuesday, October 21 through Monday, November 10, 2014.

This position is open to the public. If a permanent government employee applies and accepts this position they will lose their permanent status.

This position comes with health insurance, life insurance and retirement benefits. Barracks space may be available for a limited period of time.

Hiring Procedures:

Once the Forest receives applications they have 30 days to review them and conduct interviews. Then the Forest will make a recommendation on a hiring selection to the Regional Office before an offer can be made to someone for this position.

Description of the duties associated with this position:

The position is located on a Forest Service unit. The incumbent is responsible for assisting senior archaeologists in implementing all aspects of the Forest heritage resources program, including inventory, evaluation, and advice on cultural resource management, and effect of projects on cultural resources and recommended mitigation.

KEY REQUIREMENTS:

- Professional knowledge of archeological principles, practices, and concepts to accomplish the full range of duties connected with heritage and cultural resources management.
- Knowledge of the principal laws dealing with heritage and cultural resources management in the Forest Service and accompanying regulations.
- Knowledge of National Forest land management policies and procedures sufficient to ensure that the plans and programs are consistent with such policies and procedures.
- Knowledge of archeological survey procedures and the ability to relate results of studies and surveys to concepts of multiple-use management.
- Familiarity with related fields such as timber management, hydrology, soils, recreation management, range, and geology in order to consider resource management issues when carrying out archeological duties.

ABOUT THE FOREST:

The Plumas National Forest encompasses over a million acres of tree-covered mountains, the headwaters of the Feather River, and the beautiful Lakes Basin Recreation Area. Elevations range from 3,000 to 8,000 feet. The area has four seasons with warm to hot days and warm to cool nights in the summer, and periodic snowstorms in the winter. Average annual precipitation is about 35~40 inches a year. Within a half day or less drive are Lake Tahoe, Reno, Sacramento, Susanville, San Francisco, Redding, Chico, California coast, Lake Shasta, Lassen Volcanic National Park and a vast variety of activities and opportunities. Popular activities within Plumas County and the Plumas National Forest include hiking, fishing, hunting, camping, boating, white water rafting, cross country skiing, snowmobiling, and wildlife viewing.

More information on the Plumas National Forest is on our website: <http://fs.usda.gov/plumas/> .

ABOUT COMMUNITIES:

Beckwourth District Office (Blairsden, CA)

Blairsden/Graeagle, CA
