

Now Hiring- Lead Gardener

Cultivar LLC, a Ballard based design, build and maintenance company is looking for a lead gardener with solid experience and a positive attitude. This passionate plant lover will be responsible for on-going garden maintenance and small project implementation. Garden maintenance tasks will include all aspects of fine gardening: pruning, planting, weeding, raking, mulching and hardscape cleaning. Diagnosis of plant health issues and ability to assess the need for organic treatment options is also necessary. Small project implementation will include the ability to work from a garden design or planting plan and complete the project on time and on budget.

As the field lead of this division, our ideal candidate will be organized, efficient, detail oriented and able to self direct and stay on task. A friendly, positive attitude and the ability to interact with clients and thoughtfully answer garden questions is essential. A working knowledge of Pacific Northwest landscape plants and their cultural care is necessary for success in this position. The ability to work hard and maintain a steady, productive pace in all types of weather is also essential.

A horticultural or ecology education and 5-7 years experience is preferred. Please have a valid WA state driver's license and a clean driving record.

Please email a resume and cover letter if you feel you are a good fit for this position.

Pay will depend on and be commensurate with experience.

Thank you for your interest!
