

NASA Earth and Space Science Fellowship (NESSF) Program

NASA announces a call for graduate fellowship proposals to the NASA Earth and Space Science Fellowship (NESSF) program for the 2015-2016 academic year. This call for fellowship proposals solicits applications from accredited U.S. universities on behalf of individuals pursuing Master of Science (M.Sc.) or Doctoral (Ph.D.) degrees in Earth and space sciences, or related disciplines. The purpose of NESSF is to ensure continued training of a highly qualified workforce in disciplines needed to achieve NASA's scientific goals. Awards resulting from the competitive selection will be made in the form of training grants to the respective universities.

The deadline for NEW applications is February 2, 2015, and the deadline for RENEWAL applications is March 16, 2015.

The NESSF call for proposals and submission instructions are located at the NESSF 15 solicitation index page at <http://nspires.nasaprs.com/> - click on "Solicitations" then click on "Open Solicitations" then select the "NESSF 15" announcement. Also refer to "Proposal Submission Instructions" and "Frequently Asked Questions" listed under "Other Documents" on the NESSF 15 solicitation index page.

All proposals must be submitted in electronic format only through the NASA NSPIRES system. The advisor has an active role in the submission of the fellowship proposal. To use the NSPIRES system, the advisor, the student, and the university must all register. Extended instructions on how to submit an electronic proposal package are posted on the NESSF 15 solicitation index page listed above. You can register in NSPIRES at <http://nspires.nasaprs.com/>.
