Social Media Intern Requirements

Internship opportunity with local non-profit organization, SeaShare, on Bainbridge Island. We are looking for a motivated and organized self-starter who is familiar with running a social media presence for a brand. Work responsibilities would be 8-10 hours/week for approximately 6-9 months.

Intern responsibilities include:

- developing creative projects for various social media platforms
- building social campaigns for fundraising
- managing social media content calendar
- growing current social media presence and audience
- building and connecting an online community for SeaShare
- tracking and measuring success of campaigns and milestones through data analytics

Must have experience with writing and editing. Must have a passion for Twitter, Facebook, Hootsuite and Instagram. Graphic design, photography, and video are a plus.
