

ASSISTANT COOPERATIVE EXTENSION SPECIALISTS University of California, Berkeley

The Department of Environmental Science, Policy, and Management seeks academics to apply as an Assistant Cooperative Extension Specialist to conduct applied research and outreach in each of the following areas: Forest Health; Rangeland Planning & Policy; and Water Resources & Climate Change Adaptation. These are full time career-track research and outreach positions

([http://ucanr.edu/About ANR/What is ANR/](http://ucanr.edu/About_ANR/What_is_ANR/)). The expected start date is July 1, 2015. For more information, including required qualifications and application materials, go to:

<https://aprecruit.berkeley.edu/apply/JPF00587> for Forest Health

<https://aprecruit.berkeley.edu/apply/JPF00579> for Rangeland Planning & Policy

<https://aprecruit.berkeley.edu/apply/JPF00588> for Water Resources & Climate Change Adaptation

The next review date is January 12, 2015 for the Forest Health and Rangeland Planning & Policy positions. The next review date for the Water Resources & Climate Change Adaptation position is December 23, 2014. To receive full consideration, please submit all materials prior to the review dates; these positions will remain open until filled. Please direct questions to [espm\\_recruit@berkeley.edu](mailto:espm_recruit@berkeley.edu). UC Berkeley is an AA/EEO employer.
