

RATE SCHEDULE 2009 - 2010
EFFECTIVE JULY 25, 2009

A. ANIMALS

Direct vendor purchases:

..... Vendor invoice + 26.83

Invoice processing fee, to cover purchase expense

B. PER DIEM (Animal Maintenance, Centralized Facilities)

Cats 18.85
 Chicken Brooders 18.56
 Dogs 20.07
 Ferrets 7.82
 Frog cage..... 5.11
 Mice ABSL 2 1.112
 Mice ABSL 3 1.152
 Goats 10.58
 Guinea pigs..... 14.56
 Rats/Hamster/Gerbils (Standard cage) 2.289
 Mice (Standard cage) 0.985
 Pigs..... 39.42
 Rabbits..... 3.01
 Rats ABSL 2 2.416
 Sheep 10.58
 SPF Dogs 14.31
 Turkeys 11.48

Chicken brooders, finches, quail, frogs, gerbils, hamsters, mice, and rats are charged on a per cage basis. All other animals are charged individually (unless otherwise noted).

Mice (Standard) = 1 - 5 mice per shoebox cage

Rats (Standard) = 1 - 3 rats per shoebox cage

C. PER DIEM (Animal Health Maintenance, Decentralized Facilities)

Mice (Standard) 0.21
 Mice (Individual)..... 0.14
 Rats (Standard) 0.38
 Rats (Individual)..... 0.23
 Aquatic species (per system) 0.65

D. VETERINARY/RESEARCH SERVICES

Vet. Tech. Consulting (non-clinical) 32.40/hr
 16.20/0.5 hr
 Clinical Tech. Assist. 60.82/hr
 30.41/0.5 hr
 Veterinary Consulting (non-clinical) 78.37/hr
 39.19/0.5 hr
 Clinical Veterinarian 106.79/hr
 53.39/0.5 hr

Clinical Vet Tech Assistance, 30-minute increments, 30-minute minimum, charged when part of experimental protocol. Includes technician salary, staff benefits, and standard charge for materials; materials not separately charged for most procedures. (The cost of the preventive medical program and the diagnosis and treatment of non-experimentally induced disease is included in the per diem charge, and not charged separately.)

Processing Fees:

Calf 29.30
 Cat 31.05
 Dog 38.46
 Pig..... 19.45
 Sheep/Goat..... 29.30

Cost per animal, covers initial health screening and identification upon entrance into the facility.

Central Animal Surgery Fees:

CAS Room & Labor 133.31/hr
 CAS Room & Labor O/T 166.68/hr
 CAS Room Only 55.78/hr
 CAS Surgical Vet Tech 61.33/hr
 CAS Surgical Vet Tech O/T 78.49/hr

Full surgery room, includes basic pack, anesthesia, one Surgical Vet Tech, animal prep and set-up & clean-up.

Surgery room only, 30-minute minimum includes basic pack, anesthesia.

Note: Additional set-up and clean-up time may be billed.

F. INTERM CLINICAL AND COMPARATIVE PATHOLOGY LABORATORY

SEROLOGY

| | |
|---|-------|
| Serology: Mouse quarterly | 22.84 |
| Serology: Mouse annual | 58.92 |
| Serology: Rat quarterly | 18.33 |
| Serology: Rat annual..... | 27.30 |
| Serology: additional test with panel..... | 9.83 |
| Serology: individual test | 13.54 |

DIAGNOSTIC PCR

| | |
|--------------------------------|------------------|
| Helicobacter testing | 25.12 |
| Rodent Parvovirus testing..... | to be determined |
| Pneumocystis testing | to be determined |

PARASITOLOGY

| | |
|------------------------------|-------|
| Tape Test or Ecto Exam | 5.75 |
| Flotation | 11.85 |
| Gross Exam of Cecum..... | 5.75 |

MICROBIOLOGY AND CLINICAL PATHOLOGY

(Call for information and pricing)

ANATOMIC PATHOLOGY

| | |
|---|--------|
| Routine Necropsy Report (Group 1) | 61.34 |
| Routine Necropsy Report (Group 2) | 92.54 |
| Routine Necropsy Report (Group 3) | 178.24 |
| Digital Imagery (micro/macro)..... | 10.55 |

HISTOLOGY

| | |
|--|-----------------|
| Routine Tissue – block processing + 1 H&E stain | 13.26 |
| Decal Tissue – block processing + 1 H&E stain | 15.51 |
| Block Processing – Routine tissue | 9.74 |
| Block Processing – Decal tissue..... | 12.66 |
| Microtomy – one slide – paraffin block..... | 4.20 |
| Microtomy – one slide (coated) – routine tissue | 6.48 |
| Staining H&E – one slide – per block..... | 7.06 |
| Special Stain – Routine tissue – per block..... | 11.05 |
| Other Special Stains | Contact the Lab |
| Histo Tech Labor (training, etc. per 15 min.)..... | 10.06 |
| Pathologist Labor (reading slides, etc. per 15 min.).... | 19.76 |
| Tissue Collection..... | 27.36 |
| Technician Rush Services Fee | 25.84 |

NECROPSY & HISTOLOGY DESCRIPTIONS

- Species Group 1: Mice, rats, gerbils, bats, fish; 3 – 4 slides
- Species Group 2: Frogs, ferrets, guinea pigs, birds; 3 – 4 slides
- Species Group 3: Rabbits, cats, dogs, pigs, other large animals; 8 – 10 slides

Routine Necropsy Report: includes complete necropsy and report of gross findings; species differential charge will apply.
Routine Histology Report: Includes preparation of histology slides, evaluation and report; species differential will apply. For diagnoses requiring additional slides, special staining, or decal and additional charge may be assigned.

*Special Stains:

- Class 1: Bacterial Staining, PAS
- Class 2: Metachromatic Stains
- Class 3: Non-Neural Silver, Connective Tissue Staining

Additional charges for controls. A limited assortment of mouse and rat control slides available for purchase; please inquire.
