# From the Director

Welcome Summer!  
CSSCR is going to have an intense Summer this year. In early Summer we will be packing up the Center for our move back to Savery on August 8. For most of the month of August we will be putting together the new CSSCR in our wonderful new facilities.

In mid September we will be holding our Back-to-School Seminars, followed by departmental tours and then the start of School in the Fall.

There may be extended periods where we will not be open to the public. We will work to keep you, our clients, informed about our availability on our website.

Have a great Summer!

Fred Nick
