

2) Which large assignments did you find valuable to you? What made it valuable to you as a student/ learner? (Creation Myth Project, Creation Myth take Home Essay/Exam, Reader Response Journal, Illiad Compare and Contrast Essay) I LIKED THE COMPARE + CONTRAST ESSAY, IT HAD MANY INTERESTING TOPICS TO CHOOSE FROM. IT ALSO GAVE ME THE CHANCE TO WRITE ABOUT SOMETHING I'M INTERESTED IN.

The reader response Journal. It forced me to read the book and actually understand what was being written. I got the most out of this one. It also REALLY helped me when it came (continued on back) time for writing the essay.

Thank you for your time and help! ☺

The Illiad compare and contrast essay was a great way of summing up the large chunk of time we spent reading the Iliad. After all the discussions etc. I felt well prepared to write the essay. (continued on back)

Thank you for your time and help! ☺

I thought that the reader response Journals were valuable because it helped me get a closer look at what was going on in the text, and gave me incentive to answer some of the questions I had.

(continued on back)

Thank you for your time and help! ☺

The reader response journal was easily the most valuable assignment. It let me focus my understanding of a sprawling work to themes I wanted to study the most, and made writing an easy easy. (continued on back)

Thank you for your time and help! ☺
