**URBAN ISSUES LIBRARY
 DOCUMENT ORDER FORM**

To order copies of documents from the Urban Issues Library, please fill out the requested information for each document. You will need a copy of the Urban Issues database (available at the Center web site) to obtain the document number. In many cases, the database will also indicate the number of pages; where it does not, please email the Center for Urban Water Resources Management at *cuwrp@u.washington.edu* to obtain that information.

All orders should be mailed to the above address and **must be accompanied** by a check for the full amount, payable to the “University of Washington—CUWRM.” We cannot process purchase orders, credit cards, or COD’s. Orders will be filled once a week and sent out that same day. Please include telephone and/or email information if you would like us to contact you with any questions about your order, or to confirm its shipment.
