# **Inpatient Reach Out and Read**

### **Book Storage**

- Books will be delivered to team rooms on Wednesdays.
- If you are out of books, contact the chiefs. Extra books will be kept in the Forest Chief Office
- Each book contains an inventory card, parent survey with return envelope, and parent handout

#### **Book Selection**

- Patients between 6 months to 6 years can receive one age appropriate book
- When selecting a book, remove the inventory card and put it in the inventory card envelope for tracking. These will be collected on Wednesdays when new books are delivered.

## **Book Delivery**

- Students should ask families to complete the program evaluation.
- Program evaluations should be returned to OC.9.840 (Neurodevelopment); anyone can place the evaluations in interdepartmental mail. Evaluations will also be collected weekly with inventory cards.

#### **FAQ**

Who can get a book? Inpatient children between 6 months – 6 years old who are admitted to teams with third year medical students can receive one book during their admission.

Do the patients have to speak English? Books and parent surveys are available in English and Spanish.
