

ALASKA NATIVE TRIBAL HEALTH CONSORTIUM DENTAL HEALTH AIDE THERAPIST TRAINING

June 2009 Monthly Report

Pictured above is Dr. Bolin's class on Atraumatic Restorative Technique which was taught the last week of this quarter. From left to right are Dr. Bolin, Ferdella Sharp, Phylcia Wilde, Chelsea Shoemaker, Bonnie Johnson and Anjanette Norton.

The following week in June was the week for remediation exams and those students needing to stay to complete those exams were here other wise everyone left for their home communities to either rest or pick up some added money by working in their Dental Department near home.

Pictured here to the left: Corrina Cadzow and Erik Linduska practicing their newly learned restoration techniques before summer vacation.

Yuut Elitnaurviat Dental Training Clinic

The students were on Summer Break from Monday, June 1, through Friday, July 3. The students returned home during the break to spend time with friends and family.

The Yuut Elitnaurviat Dental Training Clinic was closed from June 16 to June 26, as Kathy Balasko was out of the office during that time.
