Global Health - A Voyage of Discovery

Bill Foege, MD, MPH

Senior Fellow, Bill & Melinda Gates Foundation

When: Monday, January 7, 2008, 5 p.m.

**Where: Foege Auditorium S-060,
Genome Sciences Building,
1705 NE Pacific St. Seattle, WA 98195
University of Washington**

Reception to follow in Vista Cafe

Dr. Foege has championed many issues, but child survival and development, injury prevention, population, preventive medicine, and public health leadership are of special interest, particularly in the developing world. He is a strong proponent of disease eradication and control and has taken an active role in the eradication of Guinea worm disease, polio and measles, and the elimination of river blindness. By writing and lecturing extensively, Dr. Foege has succeeded in broadening public awareness of these issues and bringing them to the forefront of domestic and international health policies.
