## *The Revolution in Global Immunization*

### **Mark Kane, MD, MPH**

Immunization Policy Consultant, former Director of the  
Children's Vaccine Program at PATH

**When: Monday, April 7, 2008, 5 p.m.**

**Where: Foege Auditorium S-060,**

**Genome Sciences Building,**

**1705 NE Pacific St. Seattle, WA 98195**

**University of Washington**

### **Reception to follow in Vista Cafe**

Dr. Kane is currently retired and acts as a consultant on Immunization Policy. He is the former Director of the Children's Vaccine Program at PATH. Previous to his experience at PATH, Dr. Kane had a 20 year career with the US CDC. For the last 10 years of this career he was assigned to the Expanded Programme on Immunization at The World Health Organization in Geneva where he was responsible for the introduction of Hepatitis B and other new vaccines. Dr. Kane was on the founding Board of GAVI (The Global Alliance for Vaccines and Immunization) and was the founding President of the Global Fund for Children's Vaccines (now called the GAVI Fund).
