Dear Directors,

We hope you and your students can come and join us for our 5<sup>th</sup> Marching Percussion Clinic. We have had great success in the past due to *your* supportive attitude toward your percussion students and their musical development. The day will consist of the following events:

- 8:30-9 am, **check-in** (all students and directors will receive a technique/exercise/cadence packet, a door prize ticket stub and up to two car/van parking passes per school)
- 9-10, **Overview** of the day. Technique **demo** given by UW Drumline Instructor, Nick Molenda and the University of Washington Drumline
- 10-12, Break into smaller group **master classes** led by members of the UW Drumline. Working on technique exercises. Directors are encouraged to join in!
- 12-1, **Lunch & Door Prizes** (Please bring your own lunch. Water/Sodas provided)
- 1-3:30, **Master classes** continue. Working on Cadences. Directors Q&A meeting
- 3:30-4, Full drumline **performances** from work done in master classes
- 4 pm, Clinic concludes

**Important information. Please read carefully!**

This year we ask that all students bring their own lunch and equipment (water/sodas provided). We do have extra drums and if a student forgets his or her drum we will be happy to provide the necessary equipment based on availability.

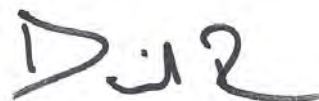

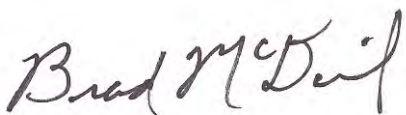

**July 1<sup>st</sup>** is the registration **Deadline**. The clinic fee is \$55 per drumline regardless of the size of your group. High School students only please. The fee can be paid by check, made out to the **UW Husky Band**, and mailed along with the registration. The registration sheet can also serve as an invoice. If your school district is paying for the event submit one copy of the registration sheet to the district and send us a copy by the **July 1<sup>st</sup> deadline** so that we know to expect you.

**IMPORTANT!** If you submit a registration form and your group fails to attend we will still need to charge you the full clinic fee. This is necessary so as to cover expenses on items purchased in advance of the event based on pre-registration.

We look forward to seeing you in August!
