

Economics Undergraduate Board

Application for 2008-2009

The Economics Undergraduate Board (EUB) serves as a liaison between the undergraduate student body and the Economics Department faculty and staff. We are currently seeking Economics Majors with Junior or Senior standing (for Fall 2009) who would be interested in being a part of the Board for the *whole academic year*. Membership provides a great opportunity to become involved with the department, get to know other students and faculty, and provide valuable services to your fellow undergraduates. Each member of the EUB is assigned to a specific project, but is also expected to help with other EUB activities and special events as needed. Regular EUB activities and services are described on our website:

Please review these activities and think about how you can contribute to the EUB's continued success as you fill out this application. To apply to the 2008-09 EUB please fill out the following application and return it to the front desk of the Economics department in Condon 401 by **Friday, May 23rd, 2008**. The current EUB will review the applications and ask qualified candidates to come for an informal (5-10 minute) "interview". Feel free to stop by the EUB tutoring room Condon 210, or email the EUB at eub@u.washington.edu if you have any questions.
