

# Economics Undergraduate Board

*presents*

## *Class Seminar*

May 7 -- 5.30pm -- DEN 205

*Registration for autumn quarter is just around the corner!*

*Is the three line-blurb on the time schedule really enough to help you navigate your class choices? Have you been reading the class descriptions for the past few weeks and still have no idea what classes to register for?*

*No worries, we've got your back!*

***Come listen to what the EUB members, who have cumulatively taken nearly every Econ class at UW, have to say about their favorite classes!***
