

What to do if it Snows

EEU follows Seattle School District on school closure.

1. If Seattle School District is open on time; but using emergency bus routes, with NO door-to-door service, and ECEAP and half day kindergarten classes are closed, then:

EEU preschool and ECEAP closed; EEU full-day kindergarten open. (No door-to-door bus service.)

2. If Seattle School District is open two hours late: (i.e., buses operating two (2) hours late, on emergency bus routes, with NO door-to-door service), then:

EEU preschool and ECEAP closed; EEU full-day kindergarten starting two hours late. (No door-to-door bus service.)

3. If Seattle School District is closed, EEU is closed.

Listen to radio or TV stations for announcement of school closures. They have the most current information. Please DON'T call the EEU unless you have an emergency.
